Science, Faculty of Arts, Cairo University.

## Skills

- Expert in **Skills of Scientific Research Preparation.**
- Expert in **Electronic Publishing.**
- Expert in **Skills of searching for information in global databases**
- Skillful in **Standards for international rankings of universities.**
- Skillful in **Research Data Management.**
- Skillful in **Content Management System (CMS).**
- Expert in **Open Journal Systems (OJS).**
- Skillful in **Open Conference Systems (OCS).**
- Experiences in **automated library management systems.**
- Expert in **Informetric and Bibliometric analysis.**
- Experiences in **Artificial intelligence Technique (IBM Services in  
information retrieval).**
- Experiences in **Open-source data mining systems (Orange).**
- Experiences in **Document Control.**

## Languages

- Experiences in **Digital Transformation**.
- Expert in **Cataloguing, Classification and Indexing**.
- Expert in **ICDL Modules**.

**Arabic:** Native

**English:** Intermediate.

## Training Courses and Certifications

- Scientific Research Skills, By DAAD.**
- International Publishing, By DAAD.**
- Structuring a publishable paper MEA, By Emerald.**
- The peer-review process and publishing Cycle, By Emerald.**
- Searching for information sources in international databases Skills, By EKB**
- Artificial Intelligence By IBM.**
- Scientific Thinking and Argumentation Skills for Problem Solving, DAAD.**
- Communication skills, By Faculty Development Center at Cairo University.**
- Effective Presentation Skills.**
- Research Data Management.**
- Infographic.**
- Preparing Curriculum Maps.**
- Presentation and statistical analysis using SPSS.**
- ICDL.**
- Decision making by Nasser Military Academy.**
- Digital Transformation Projects.**

## Responsibilities

- Responsible for teaching some subjects** such as (Electronic Publishing - Information Measurements - Information Systems - Skills of Preparing Scientific Research).
- Participates in** scientific conferences and seminars.
- Responsible for** the quality management standard at the Faculty of Arts, Cairo University.
- Electronic Coordinator** of the Department of Libraries and Information Science, Faculty of Arts, Cairo University.
- Graduate Support Coordinator** of the Department of Libraries and Information Science, Faculty of Arts, Cairo University.
- Identify the information and educational needs** with university professors and that fit the needs of students.
- Participates** students in the preparation of scientific research.
- Participation in** organization of scientific conferences.

## Professional Interests

- Electronic Publishing.**
- Open-Source Systems for Managing the Publishing of Scientific Journals (OJS).**
- Scientific Research.**
- Free Access to Information.**
- Library Management Systems (KOHA, Future).**
- Bibliometric Studies.**
- Artificial Intelligence.**
- Online Search in International Databases.**
- Digital Transformation.**
