## **Educational Qualifications**

**University:** Beni Suef University

**Faculty:** faculty of science \_ special chemistry department

**Final grad:** excellent (88.5%)

## **Training**

**(1) Training Course on Nanotechnology Applications.**

(Faculty of Postgraduate Studies for Advanced Science) 8/2016

**(2) Training Course on Nano photonics Applications.**

(Faculty of science Beni seufuniversity)3/2017

**(3) Production of hydrogen using photochemical reactions (photo catalytic water splitting).**

(Faculty of science BeniSeuf University at Nano photonic laboratory)

#### **(4) Principles of petroleum chemistry and petrochemicals.**

(Faculty of science BeniSeuf University)

#### **(5) Employability and leadership skills**

(Aspire Training Solutions)

### **Online courses**

#### **(1) Colligative properties of solutions.**

(Udemy online course on feb.9,2018).

#### **(2) Chemistry in society.**

(Udemy online course on feb.7,2018).

#### **(3) The organic chemistry course.**

#### **(4) General Chemistry: Concept Development and applications.**

(Online course on coursera from Rice University)

#### **(5) Advanced chemistry.**

(Online course on coursera from University of Kentucky).

#### **(6) Learning about Water & Groundwater in the basic Water Cycle**

<https://www.udemy.com/certificate/UC-FANNNYEF/>

#### **(7) Practical Presentations Easily and Effortlessly.**

<https://www.udemy.com/certificate/UC-X6T6RR98/>

#### **(8) presentation skills (In Arabic).**

<https://www.udemy.com/certificate/UC-H2LL9UPY/>

#### **(9) Chemical Hygiene Training.**

<https://www.udemy.com/certificate/UC-ALZUB98J/>

#### **(10) An Introduction to Heat Transfer.**

<https://www.udemy.com/an-introduction-to-heat-transfer/>

#### **(11) Environmental Issue Analysis.**

<https://www.udemy.com/environmental-issue-analysis/>

#### **(12) AP Environmental Science. (<https://www.udemy.com/environmental-science/> )**

## **Skills**

### **Computerskills**

- MS Word: good
- Internet: good

### **PersonalSkills:**

- Team worker, fast learner
- Result oriented and always meets deadlines
- Hard worker -Self study
- accuracy in doing experiment

### **Language skills:**

- Arabic (mother language)
- English: good

## **Experience**

- chemistry lecturer (three years experience in teaching chemistry online ) at noon academy
- Chemistry instructor at Udemy website for online chemistry courses.
- Fabrication of catalyst at Nano scale using instrumental analysis (keithley 4200) to estimate activity production of hydrogen from water splitting technique.
- Scientific researcher assistant in the trend of hydrogen generation and water splitting technique at Nanophotonic Lab , Faculty of science , Beni suef University.
- Coordinator of chemistry for the secondary stages in Al-Shamel educational site in Kuwait
