Objective

I have obtained a Bachelor's degree with honors, and I have a proven track record of activities in my field and outside of my field. I have been honored by the administration of the college and my department more than once as a result of my academic excellence and being ranked first in my class. Apart from these achievements, I want to get a new opportunity because of my persuasion and listening skills and the ability to communicate effectively to ensure quality in your organization, which is known for its excellence and innovation.
