PERSONAL SUMMARY

An Enthusiastic, Intelligent, Extravert and Highly Motivated Teacher of Arabic as a second Language, With considerable experience of teaching classes from mixed nationalities and backgrounds at all levels. I genuinely enjoy teaching, and it is my utmost delight to watch beginners grow speaking, knowing and love Arabic. Through My ١٥- experience year and my academic path, I have developed my own style and integrate the Modern Arabic language study with Thought and Culture, to make my students love the language and the culture, not just to learn it. i believe that if you want to learn a new language, you should use all your ٥ senses to do that, and this is my daily and ongoing challenge.

Recent Working Experience

٢٠١٣ -Present **Arabic Language Teacher in learn Arabic with Nour.**

- Teaching Arabic for non-native speakers, from different nationalities, levels, and special purpose of studying Arabic in Lebanon, Turkey and Saudi Arabia.
- Teaching employees in the British embassy in Riyadh for two years and prepare them for taking the UK foreign and Commonwealth Office's (FCO) Arabic language examinations.
- Organizing special morning courses in the Diplomatic quarter in Riyadh for Diplomats and employees in the embassies, and evening courses for companies' employees.
- Organizing and getting involved in all social and cultural activities, to courage learners to use and practice the language and help them settle into Saudi society.
- Preparing and setting tests, exercises and conducting oral and written assessments in line with the special course requirements.
- Preparing all training materials with a strong emphasis is placed on dialogue and role-playing with the help of variety of audio-visual aids.
- publishing my own book for learning Arabic for real beginner learners (pre. A١.).
