PROFESSIONAL SKILLS

- Computer Using , Very Good
- Microsoft office programs
- business management , Very Good
- Using The chemical techniques , Excellent
- Analytical instrumentals

PERSONAL SKILLS

- Ability in working in any environment , Excellent
- Ability for working alone without supervision. , Excellent
- Punctuality in working. , Excellent
- Dealing with difficult conditions , Excellent
- Follow up and master all that is new regarding work , Excellent
- Ease in skills acquisition , Excellent

HOBBIES AND INTERESTS

- Football
- Reading
- Traveling

LANGUAGES

- Arabic , Excellent
- English (autodidactism) , Very Good

OBJECTIVE

Seeking to be an excellent chemical artificer in the field of process industry, where I have a very good academic background related to all topics, specifications and considerations which related this field where I'm interested and where I like to achieve my ambitions.

EDUCATION

- Secondary school** / 2008-2011 Taiz city
Alamer school
V.good and 85.25%
- Bachelor Industrial Chemistry** / 2014-2018 Taiz city
Taiz university
I graduated in July, at V.good and 83.16%
- diploma** / 2018-2018 Taiz city
Technical Institute
good and 70%

COURSES

- IACPS** / 3 months Yemen - Taiz
Norwegian bord
- Making leaders diploma 4** / 2 months Yemen - Taiz
Renaissance forum for youth development
- Introduction to forensic chemistry and crime science** / 2 weeks online
UDMY Academic
- Cement Chemistry** / 1 month online
UDSTY Academic
- The art of photography** / 1 month Yemen - Taiz
Hope makers organization
- Essential of information** / 3 months Yemen - Taiz
Hope makers organizations
- Ramadan & Youth leaders making** / Yemen - Taiz
Fajr Al-Amal foundation
- rehabilitate of wonderer leaders** / Yemen - Taiz
Taiz university

INTERNSHIP / INDUSTRIAL EXPOSURE

- Training** / 1 month Egypt - Al-Fayoum
EMISAL COMPANY & ALFAYOUM UNIVERSITY
•water treatment
• quality management at (sodium sulfate plant - magnesium sulfate plant - sodium chloride plant - vaccum sodium chloride plant - medicine salt plant)
• plants operation
•The safety
•sab program &atomic absorption device and IR device
- Training** / 2 weeks Yemen - Taiz
NSCPI
the training contain on quality management of (polyethylene plant - injection & casting plant - sponge plant)
- Training** / 1 month Yemen - Taiz
Al-Thawrah Hospital

EXPERIENCE

- Trainer in the social promoting awareness** / 2019 Taiz city
Rwoh Al-Halemah initiative
- Informational officer** / 2016 Taiz city
Amruhm Shura Bainahminitiative

Teacher of sciences / 2016 Al-Yarmook school	Taiz city
Leader of wonderer / 2017 Taiz university - Faculty of Applied science	Taiz city
Activation Manager / 2018 Taiz university- Faculty of Applied science	Taiz city
Participate in the preparatory committee / Taiz city	

ACHIEVEMENTS AND AWARDS

The fourth place in Khalifa Bin Zayed competition for sciences and innovation / 2018

The seventh place in Hult Prize competition / 2018

Second level in Yemeni Innovator competition / 2019

The first place in cultural activities / 2014

The second place in cultural activities / 2017

The first place in the faculty league / 2017
