Professional Experience

Seder Group- Seder Services – KSA www.Sedergroup.com

Manager of Program Management Office (PMO), (July 2018 – Now)

Managed complex programs/projects, and led project management teams.
Responsible for client relationships, budgets, revenue/profit, staff management, resource allocation, risk/issue/change management, service level agreements (SLAs), and executive reporting.

Performed analysis of bids documents and prepared the technical and financial proposals.

Key Achievements

I actively contribute to the development of the Company strategic plan

Setup the Enterprise PMO including PMO governance, processes, and tools.

Return all important projects to green status and reduce the time it takes to respond to service requests by 80%.

Increase projects performance by efficiently reallocating the manpower, and reducing expenses by 20%.

Establishing an effective mechanism for analyzing and pricing new bids, which reduced the bid preparation time by 60%, and showed its effectiveness in obtaining a new contract out of three contracts submitted
