

Curriculum Vitae

Personal Information

Name: Associate prof. Dr. Mustafa Taha Mohammed
Date & place of Birth: 13th of Jan. 1975 / Diyala
Gender: Male
Marital Status: Married
Nationality: Iraqi

Address

Chemistry Department, Sciences
Al-Mustansiriyah University,
Baghdad, Iraq
Mobile: 009647711038099
E-mail: tahabiochem@yahoo.com

Education

- Ph.D. in Chemistry from the N.I. Lobachevsky State University of Nizhni Novgorod (**Russia**) in **November, 2011**.
- M.Sc. in **BioChemistry** from Al-Mustansiriyah University (Iraq) in February 2001 with a very good rating.
- B.Sc. in **Chemistry** from Al-Mustansiriyah University (Iraq) in July 1998 with a good rating.

Fellowship and awards

- Iraqi / Russian academic cultural exchange, full Ph.D fellowship, 2007-2011.

Thanks and appreciation

- Thanks certificates from the Minister of Higher Education and Scientific Research awarded on 2009,2010 and 2013.
- Thanks certificate from the President of Al-Mustansiriyah University awarded on 2010,2013,2015,2016.
- Several Thanks certificates from the Dean of College of Science/ Al-Mustansiriyah University.
- Several Thanks certificates from Iraqi Embassy in Moscow.2009 and 2010
- Thanks certificates from Head of the Diyala provincial council,2010
- Thanks certificates from Iraqi parliament.2015
- Thanks certificates from the Dean of College of Science / Al- Anbar University.2016
- Thanks certificates from the Dean of College of Education / Diyala University.2014
- Thanks certificates from the Dean of College of Basic Education /Diyala University.2016

**Professional
Experience**

- October, 2002–till now, working as Associate Professor in the chemistry department at Al- Mustansiriyah University (Baghdad, Iraq).

**Computer
Skills**

- Good knowledge of Windows and Office software.
- Good knowledge of chemistry software.

Languages

-  Arabic (Mother Language)
-  English (Very Good)
-  Russian (Excellent)

Academic /Teaching Experience:

-  2002-2006:Assistant Lecturer, Department of chemistry, College of Science, Al-Mustansiriyah University, Baghdad, Iraq.
-  2007-2011:Lecturer, Iraqi / Russian academic cultural exchange, full Ph.D fellowship,
-  2012-Now:Assistant Professor in Department of chemistry, College of Science, Al-Mustansiriyah University, Baghdad, Iraq.

Undergraduate:

More than (14) years' experience in teaching undergraduate courses in chemistry (general, analytical and biochemistry laboratories, Biochemistry , analytical , free radical and antioxidant and others). Supervised and Participation of commission discussion for B. Sc. Students in Department of chemistry.

Graduate:

More than (5) years' experience in teaching postgraduate (M. Sc. and PH. D.) courses in (Biochemistry, Free radical and antioxidant, *Enzymology*, Research Proposal). Supervised and Participation of commission discussion for (M. Sc. and PH. D.) Students.

Courses Taught:

Undergraduate	Graduate
Analytical chemistry– (first class)	Biochemistry, Enzymology – M. Sc. And Ph.D. First course
Biochemistry – (second class)	Free radical and antioxidant, <i>Enzymology</i> , Research Proposal – M. Sc. And Ph.D. Second course

Professional Affiliations:

- Member of the Association of Iraqi chemists (since 1998).
- Member of the Health Professions Syndicate. 2016
- Participation of commissions examination (2012- 2013- 2014- 2015-2016).
- Participation of many commissions in Department of chemistry, College and University.

Professional Development

■ Certifications:

1. Certificate cycle require to English lang. for postgraduate studies in Iraqi Universities, 1998.
2. Certificate cycle require to scientific computer for postgraduate studies in Iraqi Universities, 2000.
3. Certificate cycle of Test the validity of teaching,2001
4. Certificate cycle of Safety speech and language in Arabic and read the Quran.2000
5. Certificate cycle of computer for scientific promotion five in the electronic computer center-Al-Mustansiriyah university, 2011.
6. Certificate cycle of Laboratory quality on standard 17025, 2015
7. Certificate cycle of PCR , 2016
8. Certificate cycle of SPSS , 2016
9. Certificate cycle of Health and Nutrition.
10. Certificate cycle of C.V.
11. Certificate cycle of innovation in government work
12. Certificate cycle of the six axes success
13. Certificate cycle of Herbal Medicine
14. Certificate cycle of Rehabilitation of muscles and nerves
15. Certificate cycle of Cupping

■ Workshops.

A lecture at the Ministry of Health in Herbal Medicine Course.2015

Lecturer at the Ministry of Education in the active chemistry course.2016
