  - 16- Trainer in symposium about (Cleaned environment = better life) – Brembal-Elgadida Library – Dakailia Culture Authority – General Authority for Culture Palaces – Culture Ministry – 20//2007.
  - 17- Trainer in symposium about (Natural herbs: importance and risk) – Brembal-Elgadida Culture Palace – Dakailia Culture Authority – General Authority for Culture Palaces – Culture Ministry 23/7/2009.
  - 18- Trainer in symposium about (Good nutrition and child under the sixth age) – organized at Girls Education House – Social Solidarity Ministry – 29/7/2009.
  - 19- Trainer in symposium about ( Genes and genetic engineering : their role in food production) organized at Sembellawain Culture Palace – Dakailia Culture – General Authority for Culture Palaces – Culture Ministry 3/8/2009.
  - 20- Trainer in symposium about (Child nutrition) organized at Girls Education House – Social Solidarity Ministry – 5/8/2009..

## Quality and credit assurance field

- 1- Sharing in preparing and writing Quality and Credit Assurance Project with cost responsibility of Project

Management Unit – High Education Ministry. Seeing symposiums and workshops regarding quality and credit assurance – Education Ministry – Cairo..

- 2- Contributing in establishing of quality und credit assurance unit via the credited project..
- 3- Sharing in training symposiums organization to notify teaching members the requirements of quality and credit assurance project. .
- 4- Sharing in making mission, vision and strategic plane for the faculty..
- 5- Sharing in making courses description for economic home department and reviewing other departments coursed in the faculty..
- 6- Sharing in establishment of quality management system in the faculty..
- 7- Management council member (manager vice) for quality assurance unit .
- 8- Sharing in preparing and writing self evaluation report for the faculty..
- 9- Member in internal review committee by quality assurance center in the university and Faculty of Education – Damietta.
- 10- Advanced training term about external reviewers of High Education Authorities – simulating models organized by National Authority for quality assurance from 10/5/2009 to 14/5/2009..
- 11- Training term about external reviewers of high education institutions pre varsity – simulating models organized by National Authority for Quality Assurance..

## College internal activities

- 1- Establishment and preparing laboratories of nutrition and food science (nutrition and food science laboratory – chemistry, food analysis, microbiology and physiology laboratories for pre and post graduation. .
- 2- Tariffs preparing and development for courses scientific content for nutrition and food science for the student before graduation study – home economic department according to the tariff from varsity year 2000/2001..
- 3- Sharing in purchases and decisions related instrument buying for the faculty..
- 4- Sharing in books and references for faculty laboratory related to nutrition and food science department..
- 5- Sharing in symposium organization of nutrition and food science regarding community system and environment development..
- 6- Sharing in central control works since working as a staff member until now. .
- 7- Sharing in central control works for post graduates since year 2002..
- 8- Supervision on teaching training for home economic student..
- 9- Sharing in social solidarity and services committee.
- 10- All student activities by co-operating with student care. .
- 11- Pioneer of social committee for year 2007/2008..
- 12- Organizer of students activities for year 2008/2008..
- 13- Control superior for the forth team student for year 2008/2009..
- 14- Member of structures committee of the faculty and university from 1/9/2007 until now..

## Scientific supervision and Approved theses

- 1- Nutritional and technological studies of some fish products.
- 2- Effect of using additives to some meat products on their nutritional and therapeutically value.
- 3- Effect of microwave cooking on some legumes consumed in Egypt.
- 4- Technological, chemical, and microbial studies on some vegetables fruits juice blends .
- 5- Technological and biological study on some meat analogues products fortified with mushroom.
- 6- Chemical, and microbiological evaluation of some sausage products.
- 7- Studies on bread fortification with sweet potato.
- 8- Chemical and biological estimation of Husk tomato fruits and their effect on healthy status of rats.
- 9- Nutrition and health status of pregnant women in rural and urban Dakhlia governorate..
- 10- Chemical, biological and functional aspects of pomegranate (Punica granatum) .
- 11- Protective effect of some Egyptian foods and herbs on renal diseases in experimental rats..
- 12- Evaluation of nutritional status for renal failure on hemodialysis patients and its effect on their health..
- 13- Effect of different ratios of proteins from animal and plant sources on diabetic and acute renal failure rats..
- 14- . Study The Effect of Nutrition on Mushroom on Liver and Kidny Functions, Cholesterol and Glucose Blood. .
- 15- Study of protective effect of some plant foods on experimental animals..
- 16- Taking the breakfast affected the nutritional status and some mental jobs and the scholastic achievement for the schools students..
- 17- Chemical and biological studies on some spices consumed in Egypt..
- 18- Effect of some fruit seeds and some natural antioxidants against body oxidative stressin experimental rats..
- 19- Chemical, technological and biological studies on the utilization of kambucha tea..
- 20- Study the effect of nutrition on mushroom on liver and kidney functions, cholesterol and glucose blood..
- 21- Chemical and technological studies on some natural food.

## Authoresses

- 1- Food preservation (Arabic) 1/1/2009.
- 2- Child nutrition (Arabic) 1/1/2008.
- 3- Food science (Arabic) 1/1/2002.

## Awards

- (The Best PhD Thesis) - Mansoura University - 1/3/2003.

## Researches

- Protective effect of oat biscuits containing herbal oils on potassium bromate induced high oxidative stress rats.  
  
Research Journal of Agriculture and Biological Sciences, 10(2): 93-108, 2014 ISSN 1816-1561
