The first international conference was at Luxor university. 24:27 February 2020.
Title "Robotics technology and artificial intelligence and their impact on preserving the African spatial identity of internal spaces."
- **The fifth international conference, plastic arts, and community service, 7:9 April 2019**
Title "The Effect of Digital Programming on the Morphological and Dynamic Transformation of Internal Spaces"

RESEARCH INTERESTS:

- Robotic Technology
- Interactive and parametric Design
- Adaptive spaces
- Sustainability
- Identity

AREA OF INTEREST

- Interior concept designing.
- Space planning.
- Highly proficient in 3D modelling.
- photo-realistic rendering.
- Landscape planning.
- Working details.
- Corporate, Residential, Retail and Hospitality interior design.
- An initial conception of the functional, aesthetic, and conceptive aspects of the standard.
- Develop and deliver a final design proposal through appropriate presentation methods.
- Preparation of work drawings and specifications for building materials, various details, materials, finishes, furniture.

COMPUTER SKILLS

- Excellent command of Pc's Hardware & Software
- Surfing the Internet
- Excellent in AutoCAD program
- Excellent in Photo shop
- 3ds max " Modeling and mental, v ray, corona Rendering"
- Rhino - Rhinoceros 3D
- Sketchup
- Adobe After Effect
- Microsoft office
- Microsoft Teams
- Google classroom
- Zoom

PROFESSIONAL EXPERIENCE

- **Assistant Professor:** Work as an Assistant Professor at University of Buraimi, Architectural Engineering from October2023 till now.
- **Assistant Professor:** Work as an Assistant Professor in the Oman college of Management & Technology, Department of "Interior Design" from October2022 till September 2023.
- **Industrial work:** Work as freelancer interior designer and Furniture designer.
- **Interior Designer:** Work as an interior designer in the Faculty of Fine Arts, Alexandria University, Department of Decor "Interior Design" from 2014 till now.
- **Interior Designer:** Work as interior designer at "icon group" for Architecture &Graphics from 2012 -2014

TEACHING EXPERIENCE

Oman College of Management & technology

- **Undergraduate Courses for academic year 2022-2023 first, second and summer.**
 - Graduation Project course
 - Advanced Studies in interior design course
 - Lighting (ED) course
 - Quantity Calculation course
 - Commercial Interior Design course
 - Interior Space Planning course
 - Colour Theory & Applications II course
 - Colour Theory & Applications I course.
 - Introduction to Drawing course.
 - Drawing & paintings: Materials & Techniques course.

Fine arts Faculty, Alexandria University

- **Undergraduate Courses**
 - Design course
 - Basics Design course
 - Building Construction course
 - Working detail course
 - Furniture design course
 - Finishes materials course.
 - Engineering Drawing course
 - Interior Landscape design course
 - Costing and management course
 - Graduation Project course
- **Services and Development of Technical and Architectural Skills center**
 - Fashion design course
 - Drawing Basic Course
 - Interior Design Course
 - Arts And Design Course
 - Open Learning Program** Interior Design AU Courses:
 - Design course
 - Drawing course
 - Architecture Design course
 - Working Details course
 - Graduation project Basic course
 - Graduation project course

ADMINISTRATIVE ACTIVITY

Oman College of Management and Technology.

- Chair of Graduation Project committee.
- Reporter of Curriculum Advising Committee (CAC).
- Member of Interior design department Council.
- Member of new program Committee.
- Member of Exit Exam Committee.
- Member of ID Exhibition Committee.
- Advisor for 31 students.
