

ABIR ABDELSAMAD TAWFIK
MOHAMEDd

Objective:

- *I want to complete a master's degree in Nanotechnology science abroad*
- * *I want to be a reason for more success for my college and to achieve my ambitions.*

Personal Data:

Nationality : Egyptian
Date of birth: June 6th , 1977
Place of birth: Beni-suef , Egypt
Marital status: Married
Mobile: 01090902497
Email : Abeertawfek6@yahoo.com

Personal characters :

Ambitious,able to work under pressure,social, flexiable, , good listener , good planner. Good Researcher.

Educational Qualifications:

- *Bachelor of Science and Education in Physics in May 1999 in very good estimate Beni Suef*

University College of Education

- ***Special Diploma system two years in (December- 2001) in grade Good -Beni Suef University College of Education***
- ***Master of Education in Curriculum and Methods of Teaching Science in Grade Excellent (October, 2008)Beni Suef University College of Education***
- ***Diploma in materials science and Pre-Master Nanotechnology(May, 2014) -Beni Suef University- Egypt- Faculty of Postgraduate Studies for Advanced Science***
- ***Doctoral degree (April, 2019) - Ain Shams University –Egypt- Girls College of Arts, Science and Education***
- ***Registered Master's degree in Nanotechnology Beni Suef University- Egypt- Faculty of Postgraduate Studies for Advanced Science - Beni Suef University***

Computer knowledge:

- ***Have ICDL***

Languages:

Arabic : Mother language

English : Second language

Skills & training courses:

- *I got the license in the International Computer Science(ICDL)*

** I got 513 on the TOEFL The Test of English Language Proficiency (TELP) equivalent to TOEFL from – AIN SHAMS UNIVERSITY- Center of Publi Service and Social Development, 18 /11/2018*

- *I have Scientific thinking skills*
- *I have Creative thinking skills.*

**Attending scientific conferences such as:*

1-The 1st International Egy Nanophotonic and Nanophononics Conference 10-13 August 2017

2- The 3rdInternational Egy Nanophotonic and Nanophononics Conference 26-29 September 2018

3-The 5th International Conference of Advanced Science (ICAS5) 9-12 November 2019, Harghada.

**Attending workshops and seminars such as:*

1- The 1st International workshop on Recent Advances in Nanomaterials a 21-22-November 2015- Faculty of Postgraduate Studies for Advanced Science , Beni- suef University

2-Nanotechnology and Certain Applications in Agriculture in National Research Center ,Giza, Egypt, July,24,2016

3-Seminar of the Good Researcher and the International Publisher - Sunday, 18 September 2016 AD, Beni Suef University – Egypt.

4-A certificate of thanks and appreciation for the laser workshop (Integration between Physics and Other Sciences) from Salwa Secondary School for Girls - Ministry of Education in the State of Kuwait

Experience:

- *19 years experience in the field of teaching*

Worked in:

**I worked at the Ministry of Education of the Republic of Egypt from 2000 to 2007, middle*

** I traveled and worked at the Ministry of Education in Kuwait from 2007 to 2013 a high school physics teacher*

** I went back to Egypt and practical exercises at the Ministry of Education for the year 2013-2014*

**Physics teacher currently working at the Ministry of Education in the Arab Republic of Egypt.*

Hobbies:

- **Reading ,**
- **Traveling**
- **Scientific Research**
- **Leadership**
- **Communication and Connection skills with others**

It is a pleasure to be one of ISDB scholarship
