- **Arabic university**

Training on Quality management, Interpersonal skills, Human resource Management, Project Management, Marketing Management, Sales Management, Customer Service Management.

- **Canadian Academy for Training and Consulting (C.A.T.C.)**

Training on Time management.

- **Cairo University**

Get a cycle of medical tests.

- **Siemens center**

Training on device (Centaur Classic & XP, Immulite 2000) in Siemens and obtain a certificate.

- **Roche center**

Training on device (Cobas6000) in Roche center and obtain a certificate.

Other skills :-

- **Language**

Arabic :- Mother tongue

English :- good

- **Computers:-**

Microsoft office (Very good in word, Excel, PowerPoint and good in data base)

Biostatistics program (very good in SPSs, Minitab and sigmaplot)

Good in internet and scientific research sites (NCBI, goggle scholar and other...)

- **Scientific Publications :-**

I have Four scientific researchers under titles,

- 1- *Salix alba* extract induces systemic resistance in *Cucumis sativus* infected by cucumber mosaic virus.

- 2- Potential impact of yeast extract in *Cucumis sativus* for enhancing protection against cucumber mosaic disease.
- 3- Response of vegetative growth and some chemical constituents of eggplant to foliar application of different concentration paclobutraz.
