

CURRICULUM VITAE (CV or Resume)

Name : DALYA ABDULKAREEM HAMAD
Date of Birth : 24 July 1978
Nationality : Iraqi
Email : comg247@yahoo.com .
Specialty : electrical & control engineer.

EDUCATION AND QUALIFICATIONS:

- B.SC of electrical / computer engineering.
- MSc of electro manufacturing engineering.

TRAINING:

- Courses attended:

1- SIEMENS & USKOM for SAGEM FMX 12 PDH multiplexer, SAGEM ADR155C SDH multiplexer (25Oct -5 Nov 2004).

- Courses given:

1- ALSTOM PLC MiCOM T390 & DIP5000 teleprotection. (Ministry of Electricity- Iraq 5-9 July 2010).

SKILLS:

- 1- PLC 's (RFL , DIMAT OPD2 ,ABB ETL5XX , SELTA STE-N , SIEMENS ESB2000i and Power link , ALSTOM MiCOM T390).**
- 2- Telecommunications & Protection systems PSE (ABB NSDXX , NSD550 , SIEMENS SWT XXX , SWT XXXX , DIMAT TPCB , SELTA TPS-N , ALSTOM DIP5000).**
- 3- Multiplexers (SAGEM FMX 12 PDH multiplexer, SAGEM ADR155C SDH multiplexer ,ABB AMX500 & FOX515.,SIEMENS FMX2R3.1).**
- 4- RTU (CAE ,ALSTOM S900 ,ABB RTU560 & SIEMENS TG5700).**
- 5- SCADA (ALSTOM PROCETT 5000 ,ABB (RANGER&SPIDER) , SIEMENS SPECTRAM POWER3).**
- 6- PABX(Ericsson MD110 , ABB SOPHO 30XX & SELTA SAE 3000,IPX3XX).**
- 7- Auxiliary Systems (Fire alarm and fire fighting , Intercom & broadcasting systems , intruder systems , DC Systems).**

Previous **Babil - Qadisia (400 KV Double Circuit HV Line project):**
Position **: Installation & commissioning engineer.**
Duration **: 2000-2001**
Responsibility: **installation & commissioning of Telecommunications & Protection systems**
 PLC(Siemens ESBXXX)& PSE(Siemens SWTXXX)
Client **: MoE GCEP (Ministry of Electricity:General Company of Electrical Projects)**

Previous **QUDS power plant project:**
Position **: Installation & commissioning engineer.**
Duration **: 2001-2002**
Responsibility: **installation & commissioning of fire alarm and fire Fighting, PLC(SELTA**
 STE-N),PSE(SELTA TPS-N), RTU(CAE) , DAS , PABX(Ericsson MD110),
 DC system (48V)
Client **: MoE GCEP**

Previous **Five substations extension project:**
Position **: Installation & commissioning engineer.**
Duration **: 2002 (six months)**
Responsibility: **installation and commissioning of PLC ETL5XX , PSE NSD550 & Multiplexer**
 FOX 515
Client **: MoE GCEP**

Previous **53 project (upgrade all 400KV substations & power plants PLC's & Protection**
 Equipments all over Iraq):
Position **: head of group (Installation & commissioning).**
Duration **: 2002-2003**
Responsibility : **installation and commissioning of PLC ETL5XX , PSE NSD550 , Multiplexer**
 AMX 500 & PABX SOPHO 3070.
Client **: MoE GCEP**

Previous **AMEEN & AL RASHED 400Kv s/s:**
Position **: head of group (Installation & commissioning).**
Duration **: 2004**
Responsibility : **installation and commissioning of PLC OPD1,2 , PSE TPCB , PABX SOPHO**
 3070 , RTU ALSTOM S900 ,DAS , fire alarm and fire Fighting & DC system
 (48V)
Client **: MoE ETP**

Previous **: Maari SCADA Project (74 substations West of Baghdad) :**
Position **: Installation & commissioning engineer.**
Duration **: 2004**
Responsibility : **installation and commissioning of SCADA ABB type Ranger, RTU560, DAS**
 &UHF.
Client **: MoE ETP**

Previous : National Dispatch Center Project :
Position : Installation & commissioning engineer.
Duration : 2005
Responsibility : installation & wiring of RTU560 & DAS for five 400KV stations for National Dispatch Center Project (ABB SCADA type Spider).
Client : MoE ETP

Previous NRCC SCADA system project: (includes all substations in North of Iraq & Kurdistan zone).
Position : Project manager & commissioning supervisor
Duration : 2006-2008
Responsibility : installation of PLC, RTU, SCADA & 48VDC system and Commissioning of PLC Power Link , PSE SWT3000 ,RTU TG5700, DAS ,SCADA SPECTRAM POWER3 ,UPS & 48V DC system
Client : Albilal Group (subcontractor of WII)

Previous New Jamila & New Farabi substations
Position : Subcontractor
Duration : 2011 (six months)
Responsibility : Wiring & commissioning of two SOPHO PABX's
Client : Symbion company

Currently private sector
Position : Consultant engineer & commissioning supervisor
Duration : 2012 till this date
Responsibility : projects planning and commissioning supervision of different Telecommunication systems.
Client : Electrical companies

Language : Arabic & English

Cell phone : 00964 7709419368 Asia cell.
