Curriculum Vitae

NAME: **Khaled Fayez Ibrahim Meri**

Personal Information:

Nationality: Palestinian
Martial Status: married with two children
Place of Birth: Gaza
Date of Birth: 20-6-1978
Address: Palestinian territories, Gaza Strip
Mobile No: 00972 (59) 9308179
Email address: khalid_merri@hotmail.com

Qualifications:

- Msc Master engineering in network and computers –Universidad de Granada 2012,master's thesis entitled "A Study of Factors Influencing the Speed-Up of a Cloud-Based Evolutionary Algorithm "
- Msc computer Science University of Northern Virginia 2007 , Master's thesis entitled "content based image retrieval using color and edge detection"
- Bsc computer science ,Al-Azhar university Gaza,Graduation Project: Database project for Al-Amal hospital .

Training courses:

2009	Training program for electronic news funded by USAID .
2008/2004	Training program about ICDL with Al-Quds open university
2005-2009	Training program IC3 with Al-qus open university
2003	Oracle & develop2000 with Al-aklouk media center –Gaza

Lectures I teach

	Function	University
1	Data structure, and Design algorithms	QOU
2	Information System	QOU
3	Programming language object oriented	QOU
4	Artificial Intelligent	QOU
5	Language c	QOU
6	Computer introduction	QOU

Professional experience:

	Function	workplace	Time Period
1	Director of computer Labs	Al-Quds Open University	2007-up to date
2	Technicians	Al-Quds Open University	2002-2007
	Programmer	Financial ministry	2001-2002

Special skills: -
- English language proficiency in writing, reading and conversation.
- Fair knowledge of Spanish-language: reading , writing, and conversation.
- International Instructor for IC3 , ICDL trainer
- System Analysis & Design
- Database Software & Security of Database
- Borland Delphi
- Oracle & SQL SERVER
- Visual basic & Microsoft Access,ICDL,IC3
- Pascal , C/C++ , Assembly, FoxPro
- Computer maintenance & Related Application
- Web Application[1-Macromedia 2-Front Page 3-php 4-ASP 5-Java Applet]
- Operating system [Dos,Microsoft ,Win2000 Server,Red Hat linux 9]
- Knowledge about Intranet & Data Communication
- Web Proxy [Isa Server2000, ISA TMG ,ccproxy,wingate,winproxy]
- Experience In LAN & WAN Network & VPN network
- Moodle system and e-learning environment such as[blackboard, virtual class]

Important Projects:

Project Name	Language Used
System of El-Amal City Hospital	Borland Delphi4
Projects Department (Ministry of Local Government)	Visual basic & Ms Access
Employee Department (Ministry of Local Government)	Visual basic & Ms Access
Project of Income-Tax (Ministry of Finance)	Oracle & developer 2000
Studentships (AL-QUDS OPEN UNIVERSITY)	Oracle & dev 6i
CBIR(Content based Image retrieval)	Java

Published papers-:
Conference: - Graduate Studies Research Conference (www. ju.edu.jo)
Paper title:- content based image retrieval using color and edge detection

International journal: - Natural computing, Springer, November 2012, 10.1007/s11047-012-9358-1, paper titled:- Cloud-based evolutionary algorithms: An algorithmic study.
