Master of Science

FOOD SCIENCE / DAIRY TECHNOLOGY

I had been get a BSc. and MSc. before five years ago. as well as I was graduated with high score and focused in my disciplines in Food Technology

Postgraduate at Istanbul Technical University

I was get a grant scholarship from the Ministry of Higher Education and Scientific Research to obtain a PhD. in Food analysis from college of engineering at ITU in Turkey.

Food science

I was reached at ITU for high reputation between a large number of world universities so I will be improving my academic performance in many technology such as nanotechnology and molecular biology.

Employment History

May 2011 – present: Faculty Members

Tikrit, Salah ad Din, Iraq

University of Tikret

Teaching and Researching

May 2005 – Jun 2006: Official employee

Tikret, Salah ad Din, Iraq

University of Tikret

Student Dormitory section as Supervisor

Jun 2007 – Sep 2009: Teaching Assistant

Tikret, Salah ad Din, Iraq

University of Tikret

Teaching and Lab. administrator

Aug 2011 – Jan 2014: AQAUP Chairman

Tikret, Salah ad Din, Iraq

University of Tikret

AQAUP* / Chairman of Agriculture Quality Assurance and University Performance Division / College of Agriculture – University of Tikret

Education / Qualifications

BSc. Food Science

Tikret, Salah ad Din, Iraq

College of Agriculture / University of Tikret

Graduated: May 2005

Grade: First with honours

I was graduated as third student from 25 with average as 78.679%

MSc dairy Technology

Mosul, Ninawa, Iraq

University of Mosul

Graduated: May 2011

Grade: First class

Professional Diploma in Quality assurance

Turkey, Istanbul, Turkey

Carolina international university

Graduated: October 2012

Academic Publication

I was published many paper inside iraq and outside in egypt most of them were intersted in food chemistry and listed below the full informaton :

- Chemical Modification of Whey proteins by Acetylation to improve its Functional properties .**Egypt. Zagazig Journal of agricultural research** . Vol. 39 (3): 2012
- Effect of adding Anhydrous Acetic Acid to prepare Whey Protein Concentrates to improve its Functional Properties : accepted in the British Journal of Dairy Sciences, **United Kingdom** .
- Effect of whey proteins on characteristics of ice cream : processing at Al- Mansoura Journal of Food Science, **Egypt**
- Processing Write **4** .

Skills

<u>Name</u>	<u>Proficiency</u>
IT	Expert
Chemistry and Labs	Advanced

Professional Memberships

Association of Egyptian Dairy Science

since 2013 and uptodate

Association of Iraqi Nanotechnology

since 2013

Iraqi Teachers Union

Since 2012 and uptodate

Languages

<u>Name</u>	<u>Proficiency</u>
Arabic	Native
English	Conversational
Turkish	Beginner

Awards / Achievements

Grant scholarship

full grant to process my Ph.D. at istanbul Technical University

Acknowledgement

1. The Minister of Higher Education and Scientific Research .
2. The President of Tikrit University .
3. The President of Kufa University .
4. The Dean , College of Agriculture .
5. The Dean , College of Veterinary Medicine .
6. The Manager of CTAQ for Supporting .

Scientific Learning Activities

- Internet and E-mail, computer and information center -Tikrit university - **2006** .
- Basics of English language, developmental and the continual Learning Center-Tikrit University- **2007** .
- General in computer-developmental and continual Learning Center-Tikrit University -**2008** .
- Training workshop on atomic absorption – Central laboratory – Tikrit University, **2011** .
- Training workshop on ABET Accreditation – College of Engineering, Tikrit University and **Missouri S&T, USA – 2012** .
- Professional Diploma in Quality Assurance and Accreditation system in Higher education institution, Carolina international university, **2012** , Turkey .
- Internet and computing core certification **IC3** , **2013** .
- English certificate IELTS : 6/9 .
- English certificate (Paper Base test) : 590 .
- English certificate (Internet based Test) : 85 /120 .
