

Shimaa Elkhidir

Second Nursing Specialist

✉ shaimasalih822@gmail.com ☎ 00249129422911 📍 Khartoum, Sudan

Compassionate and skilled Registered Nurse with 2 year of experience in pediatric, obstetrics and emergency medicine. Proficient in providing high-quality care to pediatric patients, infants, children, and adolescents, as well as adult patients in emergency situations. Strong communication and interpersonal skills, with a proven ability to work effectively in fast-paced and high-stress environments. Dedicated to delivering patient-centered care and contributing to interdisciplinary teams to achieve excellence in healthcare delivery.

Professional Experience

Second Nursing Specialist - Emergency Department,

09/2023 – 01/2024 | El- Gezira, Sudan

Altaaheli Specialized Hospital

- Assessed patients upon arrival to the emergency department to determine the severity of their condition and prioritize care accordingly,
- Offered comprehensive nursing care to patients with a wide range of medical conditions, injuries, or trauma,
- Participated in the assessment and management of patients with traumatic injuries, including resuscitation efforts for patients in critical condition,
- Performed various emergency procedures, including venipuncture, insertion of intravenous lines, urinary catheterization, wound care, splinting, and assisting with minor surgical procedures under the supervision of a physician.

Head of the Nursery Department (Matron),

07/2023 – 01/2024 | El- Gezira, Sudan

Alhoosh General Hospital

- Implemented protocols and procedures to ensure the safety and well-being of children in the nursery,
- Provided leadership and guidance to nursery staff, promoting professional development opportunities,
- Established effective communication channels with parents to keep them informed about their child's progress.

Second Nursing Specialist - Pediatric Department,

05/2022 – 05/2023 | Khartoum, Sudan

Military's Hospital

- Provided compassionate and competent care to pediatric patients to ensure their physical, emotional, and psychological well-being,
- Implemented and participated in initiatives to enhance patient safety within the pediatric department,
- Demonstrated proficiency in pediatric nursing skills, including assessment, medication administration, wound care, and emergency response,
- Continuously monitored pediatric patients' conditions, and promptly reported any changes or concerns to the healthcare team.
