## SUMMARY OF QUALIFICATIONS

- Over 6 years of experience in wireless communication networks and IT.
- Good background in computer networking.
- Proven skills in the Information technology field.
- Demonstrated ability to work under pressure.
- Excellent communication skills include good English and social communication.
- Currently, as a student of PhD., my research focuses on the wireless communication network ( public safety networks) at the University of Malaya, Malaysia.
- Computer skills include:
  - MS Office, internet and email
  - Overleaf Editing software.
  - MATLAB software.
  - Cisco packet tracer software.
  - Quickly learning new computer/internet skills
  - More...

## PROFESSIONAL EXPERIENCE

<b>Communication Engineer</b>	2005 – 2008
GECOL, Libya	
	2011 – 2014

I was part of a work team

- Conducting research into the feasibility, design, and operation of the electricity company communication networks' performance.
- Designed wireless networks using APs to connect employees in the company.
- Supervised and inspected the installation, modification, testing, and operation of electronic systems and equipment.
- Supervised the maintenance and operating standards for communication network systems and equipment.
- More...

**EDUCATION****B.Sc degree in Electrical & Electronic Engineering specialised in Telecommunication engineering**

Benghazi University (Garyounis University)/ Libya. 2004

**Master of Information Technology with CGPA 3.80**

UNITAR/ Malaysia. 2011

**Start my Ph.D. specialised in wireless communication (Public Safety Networks)**

University of Malaya UM, department of Electrical & Electronic Engineering 2018

**LANGUAGES**

- My mother language is Arabic.
- English is the media of instructions in my undergraduate at the faculty of engineering for 4 years.
- English is the media of instructions in my postgraduate Graduate school for 2 years.
- English is the media of instructions in my research at UM.
- Obtained an Intermediate level in English Language Program organised by MALVERN INTERNATIONAL SCHOOL. 2009

**COURSES & CERTIFICATES**

**15/06/2008 to 24/07/2008:** I joined training course of Geographic Information Systems (GIS) organised by (AFTE) Arab Federation For Technical Education (Libya)

**22/12/2010 to 12/02/2011:** Completed a professional course in Cisco Certified Network Associate (CCNA) organised by I-WORLD TECH & MANAGEMENT TRAINING. (Malaysia)

**19/02/2011 to 27/02/2011:** Completed a professional course in Cisco Certified Network Associate Security (CCNA - SECURITY) organised by I-WORLD TECH & MANAGEMENT TRAINING. (Malaysia)

**10/11/2013:** Completed a professional course in (KL 102.10) Kaspersky Endpoint Security 10 for Windows Training Course. (Turkey) .

**01/02/2020 to 02/02/2020:** Participated in the International Conference on Communication, Electrical and Computer Networks (ICCECN2020), at the Faculty of Engineering, University of Malaya, Malaysia

**28/07/2020 to 30/07/2020:** Participated in the International workshop on Energy Technology and sensor system, which organised by Indian Institute of Information Technology, Design and Manufacturing (IIITDM) Kancheepuram, Chennai, India. And Universiti Malaya (UM), Malaysia. In association with Federation of Indian Chambers Of Commerce & Industry (FICCI), India. And Malaysian Thermoelectric Society (MTeS), Malaysia.

**10/08/2020:** Participated in the online Mega workshop on Systematic Literature Review (SLR). Which organised by Centre for Graduate Studies (CGS) and Graduate Students Association (GSA) UTHM in Collaboration with All Postgraduate Societies of UTHM, UTP & UNIMAP .
