

CURRICULUM VITAE

1- PERSONAL DATA

Name: GHENA MHD JEHAD MOUSSA

Date of Birth: 27/9/1978

Place of Birth: Damascus

Nationality: Syrian

Contact Address : Syrian Arab Republic, Damascus, Al-Maidan Corniche

Tel (home):0118812123

Tel (Mobile): 00963932061596

Fax: -

Email: ghenamo490@gmail.com

2- ACADEMIC/PROFESSIONAL PARTICULARS

(a) Field of Specialization : Education, Instructional Technology

Major Field of Specialization: Education

Fine Field Specialization: Instructional Technology

(b) Academic Qualifications

- Doctorate in Instructional Technology, Department of curricula and instruction methods, (2021), Faculty of Education, Damascus University. Syria, Dissertation Title: "The effectiveness of an Interactive Computer programme in Training Class Teacher Students On The Skills of The Design Programme Interactive Lessons **(Articulate Storyline)** " GPA: 94.80.
- Master in Instructional Technology, Department of curricula and instruction methods, (2018), Faculty of Education. Damascus University. Syria, Dissertation Title: The effectiveness of a multimedia interactive software programme in teaching Islamic education, GPA: 87.53
- Educational Qualification Diploma, (2015), Faculty of Education, Damascus University, Syria , GPA: 78.43.

- Bachelor's Degree in Interpretation and Qur'anic Sciences, (2012), Faculty of Fundamentals of Religion, Al-Sham Higher Institute for Sharia Sciences, Arabic Language, and Islamic Studies and Research, and modified from the Faculty of Sharia, University of Damascus, , Syria , GPA: 80.81%.
- A document of success in the foreign language test for enrollment in the doctoral degree - second tranche, (2019), the Higher Institute of Languages - University of Damascus, Syria, GPA: 79%.
- International ICDL certificate, (2017), the Syrian Scientific Society for Informatics, Damascus, Syria, GPA: excellent.

(c) Academic Honors and Awards

- A letter of thanks and appreciation from SKYLINE UNIVERSITY COLLEGE, THE MOBD 3 PLANTFORM, and the Higher Institute for Artificial Intelligence for participating in the "Integrating Artificial Intelligence into Education" conference, which was held in Sharjah, United Arab Emirates, (14/9/ 2024).
- A letter of thanks and appreciation from MIDOCEAN University in appreciation of the fruitful cooperation in community partnership and the presentation of a symposium entitled "Designing Interactive Electronic Educational Content", (17/3/2024).<https://youtu.be/En8igEWTkVw?si=B8FzxVYnQyAqeQ93>
- A letter of thanks and appreciation from MIDOCEAN University in appreciation of the fruitful cooperation in community partnership and the presentation of a symposium entitled "The Entrepreneurial Education and Technology", (12/5/2024).
<https://youtu.be/D-NtTUEU77g?si=a2CNUUV675nA2LAc>
- Confirmation certificate Complete the article review with the title "Scientific research in the Arab world between reality and hopes For publication in Innovations Journal of Humanities and Social Studies, (23/ 7/ 2024).
- Confirmation certificate Complete the article review with the title "Hamdan's Model in eLearning and E-training and its Effects on Developing Teachers' Competences and Attitudes Toward eLearning in Palestine" For publication in Innovations Journal of Humanities and Social Studies, (11/ 6/ 2024).
- Confirmation certificate Complete the article review with the title "The Role of Artificial Intelligence Applications in the Field of Social Sciences" For publication in Innovations Journal of Humanities and Social Studies Vol: 2 No: 1, (15/12/2023).
- Creativity Medal from the management of the Second International Scientific Conference (Modern Research Achievements in the Human Sciences), which was held under the auspices of the American University of Beirut. (24/2/2023)
- A letter of thanks and appreciation from the organizing body of the Thirteenth International Scientific Conference (Contemporary Studies and Issues in the Humanities and Social Sciences), which was held by the American International Academy of Higher Education and Training and the Swedish Crown University (9/8/2023)

- A letter of thanks and appreciation from the Ministry of Education for completing a scientific research sponsored by it entitled (The Reality of Inclusive Schools in the Syrian Arab Republic), (2022).
- A financial grant provided by the Ministry of Education to complete a scientific research sponsored by it entitled (The Reality of Inclusive Schools in the Syrian Arab Republic), (2022).
- certificate of appreciation from the Sanad Development Team for attending a forum Qmark2, (2019).

(d) Membership of Professional Bodies

- “Educational Researchers” Foundation, Founding member, (2/8/ 2021)
- Syrian Society for Psychological and Educational Sciences, active member, 2022.
- Iraqi Scientific Mathematical Society/Testing and Measurement Branch, Member of the Scientific Committee for Teaching Methods and Curricula for Theoretical Sciences, 2023.
- Al-Dhakwat Foundation for Culture, Thought and Arts, Member, 2023.
- Innovations Journal for Humanities and Social Studies (IJHSS) , Arbitrator on the editorial board, 2023.

(e) Language Proficiency

English language , B2

Arabic language, Native.

3- CAREER DETAILS

(a) Academic Positions Held

- Faculty member in the College of Humanities in the Department of Master of Educational Leadership at MIDOCEAN University from (1/4/2024 to now)
- Lecturer in the Department of Curriculum and Teaching Methods for Educational Qualification Diploma students, College of Education, Damascus University, Syria, (21/10/2021- Until now).
- Practical education supervisor, Department of curricula and instruction methods, Faculty of Education, Damascus University, Syria, (11/2016- Until now).
- Lecturer, Educational qualification diploma program, Syrian Virtual University, Syria, (11/2021- Until now).
- Practical education supervisor, Educational qualification diploma program, Syrian Virtual University , Syria, (11/2021- Until now).
- Lecturer Intermediate Institute for Sharia and Arab Sciences, Syria, (10/ 2019- 11/2023).
- Graduation project supervisor, Educational qualification diploma program, Syrian Virtual University , Syria, (2/8/2023- Until now).

- **(b) Professional/Industrial Positions Held:**

Trainer , educational technologies, Sanad Development Team, Syria, 3/9/ 2022-6/10/2022.

(c) Administrative Positions Held : “N/A”

4 .Teaching

(a) Summary of Courses Taught

- 1- ELD 731,Instructional Technology of the College of Human Sciences in the Master’s Program in Educational Leadership at Midocean University, 5, excellent.
- 2- CSM, Classroom and school for students of the Educational Qualification Diploma Program at the Syrian Virtual University, 5, excellent.
- 3- PRO, Final Project school for students of the Educational Qualification Diploma Program at the Syrian Virtual University, 3, excellent.
- 4- Informatics for undergraduate students, 4, excellent.
- 5- Educational technologies, For students of the Educational Qualification Diploma at the Faculty of Education, Damascus University 4, excellent
- 6- Integrating technology into education For students of the Educational Qualification Diploma at the Faculty of Education, Damascus University, 4, excellent
- 7- Educational psychology For undergraduate students, 4, excellent
- 8- Methods of teaching Islamic education For undergraduate students, 4, excellent
- 9- CTPMTP, Practical Education-MTH for students of the Educational Qualification Diploma Program at the Syrian Virtual University 4, excellent.

(b) Participation in Academic Accreditation: “N/A”

(c) Research Students Supervised/Trained

Level:	Number of Trainees:
Educational qualification diploma	90 Students
Postdoctoral Fellows	-
PhD Students	-
Master Students	-
Undergraduate Students	-

(d) Participation in Thesis and Oral Examination Committees:

Participation in the oral exams for the following courses for students of the Educational Qualification Diploma: Practical education, educational techniques,

integrating technology into education, methods of teaching Islamic education, classroom and school management, and educational psychology.

(e) Training

- Modern Education Strategies, Sanad Development Foundation, Syria, 4/6/2022-14/6/2022.
- Educational Technologies, Sanad Development Foundation, Syria, 2/2/2022-12/2/2022.
- Designing an interactive educational video using Camtasia Studio 9, Sanad Development Foundation, Syria 6/7/2022-15/7/2022
- Vocational Educational Preparation, Kenana Al-Sham Association, Syria, 3/4/2022-18/4/2022

5- RESEARCH

(a) Research Interests

- 1- Designing interactive digital educational content and interactive digital activities
- 2- E-learning and distance learning.
- 3- Modern teaching methods and methods of teaching Islamic education.
- 4- Electronic evaluation methods.
- 5- Design and produce interactive electronic programs and lessons.
- 6- Developing the preparation and qualification of teachers.
- 7- Designing enrichment programs for educational curricula.
- 8- Analyzing the contents of educational curricula.
- 9- Educational administration and planning.
- 10- Virtual reality and augmented reality.
- 11- Entrepreneurial education.
- 12- Integrating technology into education.

13- My computer skills:

I work on several computer programs, including: Articulate Storyline , Spss , Excel , Word, Power Point, Windows, Camtasia Studio, Google Forms, Animiz Animation Maker.

(b) Publications/Citations Data

Type of Publication	Number of Publications
Articles in International Refereed	3
Journals	14
Conference Papers	9
Books/Book Chapters.	3

Edited Books

Patents

Others (specify)

Citation Source Number of Citations

(c) Research Grants

- A financial grant to complete the educational development research, the principal researcher, The reality of entrepreneurial education between the expectations of secondary school students and the reality of university education, a sum of money to complete the research in addition to publishing the research in the scientific journal affiliated with the Supreme Commission for Scientific Research (a peer-reviewed scientific journal) for the period (1/2024-12/2022), A cash sum is provided to researchers in three stages.
- Participation grant in the Thirteenth International Scientific Forum for members of the I Want From Syria platform to participate in the scientific conference for free and benefit from the benefits of participation, principal researcher, (30/10/2023-4/11/2023).
- the Scientific Academy For life and education - Britain, Malaysian Institute of Science and Development - Malaysia, the principal researcher, Participate in scientific research for free within the activities of the Second International Conference on Digital Technologies and Youth Sciences Activating the Research Program (EPRD) entitled " distance education to provide students of the College of Education with interactive e-learning experiences", Free research participation within the conference, in addition to publishing the research in the academy's peer-reviewed scientific journal, 30-31/ March /2023.

(d) Patents: nothing

(e) Participation in Regional & International Conferences

- Participation in The Tenth International Scientific Conference for Educational and Psychological Studies On the sidelines of the activities of the Fourteenth International Scientific Forum, organized by the Arid Scientific Platform in the Republic of Iraq / Kurdistan Region - Erbil, which was held electronically and in person, July 8-15, 2024.
- Participation in The Thirteenth International Scientific Conference (Contemporary Studies and Issues in the Humanities and Social Sciences) held by the American International Academy of Higher Education and Training and the Swedish Crown University, Held electronically for the period from 4/8/2023 to 8/8/2023.

- Participated in the Second International Scientific Conference “Modern Research Achievements in the Human Sciences,” which was held under the auspices of the American University of Beirut,” Held electronically on 23-24/2/2023
- Participation in The Second International Conference on Digital Technologies and Modern Communication Sciences One of the activities of the European Research and Development Program (Eprd) presented by the Scientific Academy For life and education - Britain, Malaysian Institute of Science and Development - Malaysia, Scientific Held electronically on 30-31/3/ 2023.
- Participation in The first scientific conference at the College of Education in Deir ez-Zor entitled, Al-Furat University (Syria, Deir ez-Zor), 17-18/ 5/ 2023.
- Participation in The international scientific conference at the Faculty of Education at the University of Damascus entitled “By measurement and evaluation, education improves.” Damascus University College of Education building, (Damascus & Syria),9-10/11/ 2022
- Participation in the international scientific conference at the Third College of Education at the University of Damascus entitled “Educational Institutions in Confronting Crises “Problems and Solutions, Daraa Cultural Center Hall, (Damascus & Syria),30-31/10/ 2022
- Participation in the first educational conference of the College of Education at the University of Hama entitled “The Educational System between the Requirements of the Age and the Needs of Development” (Hama and Syria) 9-10/10/2022
- Participation in the training course entitled “Lights on the Early Presence in Medical and Social Scientific Research ChatGpt” within the activities of the Scientific Forum (Scientific Research: Bets of the Present and Future Prospects), which was held by the IFAD Scientific Academy and Platform, and organized by the Libyan University of Humanities and Applied Sciences and the University of Bani Walid - Libya. 11/ June/ 2023
- Attending an electronic workshop entitled “The International Scientific Workshop for Global Training” within the activities of the European Research and Development Program (Eprd) presented by the Scientific Academy for Research and Training - Britain in cooperation with the Malaysian Institute of Science and Development – Malaysia, (30/3/2023).
- Attending the training course entitled “Research Chairs are an Introduction to Enhancing Scientific Cooperation and Community Partnership” within the activities of the Scientific Forum (Scientific Research: Bets of the Present and Future Prospects), which was held by the IFAD Scientific Academy and Platform, and organized by the Libyan University of Humanities and Applied Sciences and the University of Bani Walid – Libya, (14/June/2023).

- Attending the second remote scientific session held by the International Academy for Professional Training entitled “Digital Transformation Technology Based on Artificial Intelligence” Held virtually remotely on 15/ July/ 2023.
- Participation in A workshop to discuss the reality of integrating students with disabilities according to the standards of the Ministry of Education into inclusive basic education schools in the Syrian Arab Republic, sponsored by the Ministry of Education, Institute of Fine and Applied Arts Education - Yushaa Mansour in Mezzeh, (Damascus and Syria) (10/2/2022).
- A training workshop on the importance of interactive lessons in e-learning for the twenty-first century at the Specialized Guidance and Rehabilitation Center at the Ministry of Endowments, (Damascus and Syria), (8/25/2022).

6 .SERVICE

(a) Membership of Institutional, National, or International Scientific Advisor Boards

- Faculty member at the College of Human Sciences in the Master’s Program in Educational Leadership at Midocean University (from 1/1/2024 until now).
- The Syrian Society for Scientific Research and Publishing, member on 6/21/2024 until now).
- Al-Dhakawat Foundation for Culture, Thought and Arts, Member, 23/2/2023 Until now).
- Foundation for Educational Researchers, Founding member, (2/8/2022- Until now).
- the Syrian Society for Psychological and Educational Sciences, active member, (4/ 2022-11/2023 Until now).
- Journal of Human Development and Education for specialized research Issued by the Malaysian Institute of Science and Development - Malaysia, Editorial board member, 12/3/2022- Until now
- Iraqi Scientific Mathematical Society/Testing and Measurement Branch, Member of the Scientific Committee for Teaching Methods and Curricula for Theoretical Sciences, (1/7/2023 Until now).
- The Innovations Journal of Humanities and Social Studies, Editorial board member, 12/6/2022- Until now

(b) Membership of Conference Committees “N/A”

(c) Service as Reviewer

Journals “N/A”

Conferences “N/A”

(d) Membership of Journal Editorial Boards

- Journal of Human Development and Education for specialized research Issued by the Malaysian Institute of Science and Development - Malaysia, E-ISSN: 2590-440X, Editorial board member, 12/3/2022- Until now
- The Innovations Journal of Humanities and Social Studies, **ISSN** : 2976-3312 Editorial board member, 12/6/2022- Until now

(e) Invited Presentations at Scientific Meetings/Workshops

- Results of the teacher interview tool in inclusion research, a workshop to discuss the results of the research titled “The reality of integrating students with disabilities according to the standards of the Ministry of Education in inclusive basic education schools in the Syrian Arab Republic” sponsored by the Ministry of Education and in cooperation with the Syrian Organization for Persons with Disabilities - Amal, headquarters Syrian Organization for Persons with Disabilities - (Damascus & Syria) (28/7/2022)
- The importance of interactive lessons in e-learning for the twenty-first century, practical training sponsored by the Intermediate Institute for Sharia and Arabic Sciences, the Specialized Guidance and Rehabilitation Center at the Ministry of Endowments (Damascus & Syria), (25/8/2022)

(h) Public Service:

- Lecturer in the Department of Curriculum and Teaching Methods for Educational Qualification Diploma students, College of Education, Damascus University, Syria, (21/10/2021- Until now).
- Practical education supervisor, Department of curricula and instruction methods, Faculty of Education, Damascus University, Syria, (11/2016- 11/2023).
- Lecturer, Educational qualification diploma program, Syrian Virtual University, Syria, (11/2021-11-2023).
- Practical education supervisor, Educational qualification diploma program, Syrian Virtual University , Syria, (11/2021-11-2023).
- Lecturer Intermediate Institute for Sharia and Arab Sciences, Syria, (10/ 2019- 11/2023).
- Graduation project supervisor, Educational qualification diploma program, Syrian Virtual University , Syria, (2/8/2023-30/10/2023).

7 .List of Publications (in chronological order, starting with most recent)

(a) International Refereed Journals (Published or Accepted only!)

- Dr. GHENA MHD JEHAD MOUSSA, "A training program based on the flipped classroom strategy to provide students with the skills of designing interactive

- educational programs”, American international journal of the humanities and social sciences, American International Academy of Higher Education and Training, Issue Sixteen, Part 2, P.P 27-56, (2023).
- Dr. GHENA MHD JEHAD MOUSSA, " Training needs for teachers of the first cycle of basic education for digital skills in the field of distance education", Tasnim International Journal of Humanities, Social and Legal Sciences, Accepted for publication, (2023).
