## EDUCATION

### Mathematical Analysis Master's Degree (2017/2018-2021)

Damascus university faculty of Science Mathematical analysis Section, Damascus, Syria

Graduation Average 80.79%

### Mathematics (2013/2014- 2016/2017)

Damascus university faculty of Science, Damascus, Syria

Graduation Average 86.92%

## WORK EXPERIANCE

### Teacher at private of education Damascus, Syria (2021)

Teaching eighth grade classes

### Teacher at ministry of education Damascus, Syria (2020-2021 & 2019-2020)

Teaching tenth grade classes

### Teacher at Damascus university faculty of Science Mathematical analysis Section

Teaching third year mathematical statistics student: Complex Analysis (2020)

Teaching second year physics student: Complex Analysis (2020)

Teaching second year physics statistics student: Complex Analysis (2019)

Teaching first year mathematics student: Real Analysis one, Excel and Access (2019)

Teaching second year mathematics student: C++ (2017)

# VOULANTEERS

## Bright inventors

Volunteer in the projects coordination sector (2021)

*A French Non-profit Association based in Strasbourg, France, and it is also an official member organization of the United Nations Sustainable Development Solutions Network (UN SDSN Youth). # CERTIFICATES

## **Scientific Research Week in The Era of Digital Transformation (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Researchers' Problems and Helping Suggestions (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Interdisciplinary Studies in Scientific Research (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Programs for Writing Resources in Thesis and Scientific Research (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Research Design (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Crafting Scientific Thesis (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **The Reality of Higher Education and Scientific Research in The Arab World (9/2021)**

*Certificate of attendance organized in the week of scientific research, Organized by ARID Scientific, Northern Technical University, and Jadara University*

## **Introduction to Complex Analysis (7/2020)**

*an online non-credit course authorized by Wesleyan University and offered through Coursera*

## **Let's Break the Chain of COVID-19 Infection (3/2020)**

*an online course about COVID-19 offered through Mohammed Bin Rashid University of Medicine and Health Sciences*
