

Curriculum Vitae

Personal Details:

Name : Sadq Ghaleb Kadem

Surname : Alsaïdi

Gender : *Male*

Date & Place of Birth : *1967 / Iraq - Basra*

Marital status : *Married*

Nationality : *Iraqi*

Address : *Iraq - Basra - Alkhadraa Quar. - near Arthurian Club*

Mobile : +964 7806432219

E-mail : sadiqalsaidi222@yahoo.com

Orcid ID: <https://orcid.org/0000-0002-2710-9597>

Researcher ID: <http://www.researcherid.com/rid/I-1432-2018>

QUALIFICATIONS:

Primary Medical Qualification:

Qualification Title:	Bachelor in Medicine and General Surgery (MB ChB)
Year Qualified:	1993
Country of Training:	Iraq
Medical School:	Basra Medical College
Controlling University:	Basra University

Specialist Qualification (Principal/Highest):

Qualification Title:	Fellow of The Iraqi Council For Medical Specializations (FICMS)
Year awarded:	2009
Country of Training:	Iraq
Institution Awarding qualification	The Iraqi Council For Medical Specializations
Duration of Training - Years	5

Intern Training Qualifications:

Institution	From	To	Rotations Covered
Basra Teaching Hospital	7/2/1994	7/8/1994	Internal medicine/surgery
Basra Maternity and children Hospital	8/8/1994	8/2/1995	Paediatric/gynaecology
Basra Teaching Hospital	9/2/1995	9/2/1996	ICU/CCU/ophiology/ENT / Neurosurgery/cardiovascular/ Plastic surgery

Work Experience:

Work	Institution	Date
HEAD DEPARTMENT OF SURGERY	Al-Shiffa General Hospital, Basrah, Iraq	5/6/2018 – until now
OPERATING ROOM DIRECTOR	Al-Shiffa General Hospital, Basrah, Iraq	15 /3 /2 015 - 4 /6 /2018
GENERAL SURGERY SPECIALIST	Al-Shiffa General Hospital, Basrah, Iraq	2 /6 /2011 - 14 /3 /2015
GENERAL SURGERY SPECIALIST	Al-Sadder Teaching Hospital - Basrah – Iraq	21 /10 / 2009 - 1 /6 /2011
SENIOR RESIDENT IN GENERAL SURGERY	Basrah General Hospital	20 /10 / 2003 - 20 /10 /2009
SENIOR RESIDENT IN GENERAL SURGERY	Al-Sadder Teaching Hospital - Basrah – Iraq	2 /10 /1995 - 19 /10 / 2003
REGULAR RESIDENT DOCTOR	Al-Sadder Teaching Hospital - Basrah – Iraq	2 /10 / 1993 - 1 /10 /1995

Training Courses:

Course	Institution	participation	date
First Transoral Endoscopic Thyroidectomy Vestibular Approach, Hand- on Workshop -	Sharjah surgical institute – University of Sharjah - UAE	Course director	2018
Transoral Endoscopic Thyroidectomy Vestibular Approach, Hand- on Workshop -	Police General Hospital, Bangkok, Thailand	Trainee	2017
Doppler Guided Hemorrhoidal Artery Ligation and Recto-Anal Repair	AMI company, Germany	Trainee	2016
Radiofrequency Ablation Device Training	Meyer Haak company, Germany	Trainee	2015
Laparoscopic Surgery Training	Basrah Laparoscopy Center, Basrah, Iraq	Trainee	2014
Upper and Lower GIT Endoscopy	Hospital of American College in Lebanon	Trainee	2014
Fine Needle Aspiration Cytology	Al- Faiha Endocrine center, Basrah, Iraq	Trainee	2013
Advance Trauma Life Support	Basrah Teaching Hospital, Basrah, Iraq	Trainee	2010

Memberships of Professional Organizations:

Date From/To	Organisation
25/1/2010 till now	The Iraqi Society of General Surgeons
12/11/2012 till now	The Iraqi Society of Endoscopic Surgeons
5/3/2016 till now	The American Thyroid Association

Surgical Skills:

Surgical Skills	Number of cases
Open thyroidectomy	820
Open Parathyroidectomy	40
Endoscopic thyroidectomy	24
Parotid gland surgery	42
Open cholecystectomy	65
Laparoscopic cholecystectomy	630
Colorectal surgery	84
Gastroduodenal surgery	67

Anal surgery	260
Hernia repair	411
Hepatobiliary surgery	43
Urinary system surgery	23
	62

Languages Spoken:

- ARABIC

- ENGLISH

Participation as a speaker and attendant in the scientific conferences:

Topic	Place	Date	Conference
Outcome of Transoral Endoscopic Thyroidectomy Vestibular Approach	Bangkok-Thailand	8 th – 9 th March 2017	The 2 nd International Thyroid NOTES Conference
Transoral Endoscopic Thyroidectomy Vestibular Approach- A case report as A new Procedure in Iraq	Basrah – Iraq	6 th -7 th April 2018	The 1 st Iraqi Association of Medical Research and Studies (IAMRS) Conference
Safety and Efficacy of Bipolar Radiofrequency Ablation Device in Hemostasis during Thyroidectomy in Comparison with Ultrasonic Scalpel: A Comparative Study	Basrah – Iraq	22-23 March 2019	The 2 st Iraqi Association of Medical Research and Studies (IAMRS) Conference
SHORT TERM OUTCOME OF DOPPLER GUIDED HEMORRHOIDAL ARTERY LIGATION AND RECTO-ANAL REPAIR IN COMPARISON WITH CONVENTIONAL OPEN HEMORRHOIDECTOMY AS A TREATMENT METHOD FOR PROLAPSED HEMORRHOIDS.	Basrah – Iraq	Feb28-Mar2, 2019	16 th International Medical Conference
Transoral Endoscopic Thyroidectomy Vestibular Approach- A series of the First Ten cases in Iraq	Dubai – UAE	10-11 December 2018	Head and Neck Conference, The Multidisciplinary Approach
