EDUCATION

MSc of Medical Imaging Technology

From Al- Quds University AQU

16th Sep 2023 until now

Medical Imaging Technology, Functional Imaging

GPA is Excellent (3.72/4.00)

BSc of Medical Imaging

From An- Najah National University NNU

19th Sep 2019 until 30th Jan 2023

The main module:

(x-ray, MRI, CT, Digital Imaging, and Mammogram)

Tawjihi Exam

From Maithaloon School Secondary Girls - Jenin

24th Aug 2018 until 21th July 2019

Scientific Field

SKILLS

Work under pressure ★★★★★

Strong personality ★★★★★

Research skills ★★★★★

Self motivation skills ★★★★★

Microsoft office skills ★★★★★

English speaking skills ★★★★★

WORK EXPERIENCE AND INTERNSHIP

● **Radiographer Technologist at Al- Qaffaf Medical Center**

1st April until 30th August 2023

Worked at X-Ray & Panoramic dental X-Ray machines

● **Radiologic Technologist at PAL RAY medical center**

15th February until 1st March 2023

Worked at open MRI, X-Ray & Panoramic X-Ray

● **Internship at An-Najah National University Hospital**

23th June until 17th July 2022

Trained at x-ray, CT, IR and MRI Machines

320 training hours

● **Volunteering at Rafidia Hospital**

1st August until 30th December 2021

Volunteered at CT and Ultrasound machines

200 volunteering hours

● **Internship at Rafidia Hospital**

1st July until 30th August 2021

Trained at x-ray and Computed Tomography machines

270 training hours

● **Worked at International Medical Research Association (IMedRA)**

Leader position of Public Relations Committee, April-August 2022

Head of Public Relations Committee, August 2022 until Jan 2023

● **Worked at Student Association for Physics & Astronomy (SAPA)**

30th Oct 2022 until Jan 2023

Head of Research Committee

● **Works at Global Research Club (GRC)**

1st Jan 2024 until 1st Dec 2024

Researcher position

SCHOLARSHIPS

● **Valid practice authorization from the Palestine Ministry of Health**

25th Feb 2024 until 25th Feb 2025

● **Membership and practice of the profession in Medical Imaging (PAMRT certified)**

18th Feb 2024 until 31st Dec 2024

● **Msc Scholarships:**

Full scholarship from Palestinian Students Scholarship Fund (PSSF)

50% Scholarship from the Palestinian Association Of Medical Radiation Technologists (PAMRT)

● **Bsc Scholarships:**

Sheikh Radi Al-Shakhshir Scholarship (50%)

Institutional and individual cash scholarship

Center for Women's Studies

Samer Al-Jaghoub/ Osama Hadid Scholarship

Charity Forum Fund Scholarship

CONFERENCES

● **Onsite:**

Medical Video Day - Where Silence Speaks, and Images Illuminate, 26th July 2024

Annual conference of the Palestinian Students Scholarship Fund at NNU, 30 Apr 2023

6th International Medical Success Conference (Oncosurgpal22), 22-23 Sep 2022

Advanced course of scientific research at IMedRA, 15 Apr 2022

Basic course of scientific research at IMedRA, 19 Feb 2022

● **Online:**

The role of medical physicists in clinical trials, 29 Apr 2024

Radiopaedia 2023 Virtual Radiology Conference, 24-28 July 2023

Connect Global Fall 2022 (Soliya program), 17 Oct-8 Dec 2022

IMET2000PAL Research program, 16 Sep-31 Oct 2022, 16 Sep-31 Oct 2022

PAMA Training for Systematic Review, 1-16 Oct 2022

2nd Practical AGYA Training, Sep-Oct 2022

Radiography Students Day meeting, 19 Nov 2020

RESEARCH PROJECTS

● **Cross-National Disparities in Healthcare Workers' Perceptions: Examining Fear of Infection and Confidence in COVID-19 Vaccines in the Context of Emerging Variants**

Type: Cross-sectional study

Authority: Co-author

Status: Submitted

Institution: Global Research Club (GRC)

● **Anxiety and Sleep Difficulties among Electronic Nicotine Delivery Systems Users in the Middle East and Africa Region**

Type: Cross-sectional study

Authority: Co-author

Status: In Reviewing

Institution: Dijla Academic Research Students (DARS)

● **Diabetic patients' knowledge, attitude and practices (KAP) about oral health and its effect on oral Quality of Life (QoL) in the West Bank, with Dr. Elham Kateeb**

Type: Cross-sectional study

Authority: Co-author

Status: In Progressing

Institution: Al-Quds University

● **TIMELY DIAGNOSIS OF PID: LEVERAGING ULTRASOUND FOR EFFECTIVE MANAGEMENT**

Type: Literature Review

Authority: Co-author

Status: Submitted

Institution: Global Research Club (GRC)
