Employment History

maintenance engineering - CISA Italian company, Iraq/Baghdad

February 2012 - August 2015

project management - Iraqi Electricity ministry, Iraq/Baghdad

August 2011 - April 2016

Education

Bachelor degree in Automotive Engineering - Middle technical university, Iraq/Baghdad

September 2007 - July 2011

Master degree in Mechanical Engineering - University Putra Malaysia, Malaysia

September 2016 - August 2019

PHD in Automotive Engineering - University Putra Malaysia, Malaysia

February 2020 - July 2023

References

CISA - Italian company

info@cisagroup.it - +39058315381

Projects

shredder autoclave - Cisa company in Iraq,Ministry of Health, Hospitals in Iraq

2012 - 2015

Electricity project development in Diyala - Ministry of Electricity, Iraq/Diyala

2011 - 2016

Re-life Diyala after war - Volunteering, Iraq/Diyala

2014 - 2016

HCCI Engine(reduce emissions levels and fuel conception)) - University Putra Malaysia, Malaysia

2017 - 2022

Professional skills

Teaching Methods

★★★★☆

maintenance management system

★★★★☆

Safety and health environmental

★★★★☆

Trainer of human development and self-development courses

★★★★★

Hobbies

SPORT(Swimming,football,chess)

Reading Books,Writing

poetry,essay,short stories.

Listening to the Music.

Watch Movies.

Yoga.

Meditation.

Languages

Arabic Language

★★★★★

English Language

- https://www.researchgate.net/profile/Muntasser_Alanbagi
- <https://scholar.google.com/citations?user=YfjoxHcAAAAJ&hl=en>
- Three years with Research Engineering writing
 - Top ten under Graduate student at Technical College Baghdad
 - Volunteer at (Baghdad for brighter tomorrow Team) for 1 Year
 - Volunteer at (Rush Time Team) for 2 years and at UPM for 3 years
 - Volunteer at (IEEE) with (UKM) to help homeless Malaysian people
 - Volunteer in Teaching Robot course by Mobile to school children in Malaysia (IEEE)
 - Representative of International Union of Creators -Iraq in Malaysia.
 - Head of the class from Primary studies until University
 - Interested in entrepreneurship Field and Member of the International Federation of Creators.
 - Contrary representative of Iraq in UNIVERSITI PUTRA MALAYSIA (UPM)
 - Vice President of Faculty of engineering postgraduate students committee at (UPM)(FEPSC)
 - secretary terms of Faculty of engineering postgraduate students committee at (UPM)(FEPSC)
 - President of Iraqi students Clup in UPM 2019-2020.
 - President and Founder of Iraqi student's union in Malaysia.
 - Leader and Founder of HAMMURABI volunteer team in Malaysia.
- Media Consultant in agency sun news in Iraq.
- Media Consultant in agency AlMassa-news in Iraq.
- Sustainable development goals workshop SDGS.
- TOT.
- Courses training in basics vehicle dynamics,vehicle design,and modal analysis &updating
- Experimental work in UPM Laboratory.
- Member of the board of directors at the scientific institute for advanced training and studies-SIATS.
- Member of Arab researcher ID (Arid).
- Member of international conference for entrepreneurship and Scientific and human research

+ Personal Experiences

- Certificate of Achievement in Complete Training in Business Administration at (Canadian Training center of Human Development) in (2016)
- Certificate of Achievement in Complete training in International relations and Diplomacy at (Canadian Training center of Human Development) in (2016)
- Certificate of Achievement in Complete training in Project Management at (Canadian Training center of Human Development) in (2016)
- Certificate of Participation in ISI paper structure in different categorizations at (Smart International center UPM) in (2017), also one certificate from E.A.G.L.E. Courses for skill writing.
- and Certificate in the art of writing high-impact publishable research manuscript in 2019
- Certificate of Appreciation in leadership contribution as member of the election committee in (UPMISA 2016-2017) and Certificate in 2019 from vice chancellor of UPM.
- Certificate of Appreciation from (Ministry of Youth and Sports in Iraq) in (2015)
- Certificate of Completion in (General English Course) at (Elit Language Center- Malaysia) in (2016)
- Certificate in Chemical and Biological security from Sandia National Laboratories, U.S. Department of Energy's National Nuclear Security Administration under contract DE- NA0003525. SAND in 2019.
- Participant in a conference of Malaysia youth empowering SUMMIT 2019.
- Participant in a conference of TEDx UPM 2018, 2019.
- Certificate in Role of the smart Grid in facilitating the integration of renewable's.
- Participating on the IEEE PES day 2021
- Participating in a 3-days concept development workshop in the course of our RESI-conference "Lets reflect unemployment in Iraq" between 22-5-2021 and 19-6-2021, online.
- Certificate on Smart cities and ITS role in Sustainable development.
- Certificate on nature Fiber composites & use of Agrowaste as filler.
- Certificate on United workshop: vehicle system and internal combustion Engine 2020.
- Certificate on seminar on Biosecurity and Biosecurity series 2021
- Certificate on How to write & get published.
- Certificate on "Korea-ASEAN Webinar: Responses from higher education Global Pandemic in 2020.
- Certificate on "Teaching Method".
- Certificate on Training course servant leadership: A new perspective in the twenty-first century.
- Certificate on Improving academic writing skills in publishing high impact journals.
- Member of the fifth international conference For scientific and human studies.
- course in maintenance management system.

+ Personal Experiences

- course in Safety and health environmental.
- publishing Articles in the mechanical engineering field and the publication link of my google scholar (<https://scholar.google.com/citations?user=YfjoxHcAAAAJ&hl=en>)
- <https://publons.com/researcher/4584477/muntasser-a-a-alanbagi/>
- https://www.researchgate.net/profile/Muntasser_Alanbagi

+ Publications

1. The performance of an HCCI-DI engine fuelled with palm oil-based biodiesel
2. Effects of hot exhaust gas recirculation (EGR) on the emission and performance of a single-cylinder diesel engine
3. International regulation of vehicle emissions control rules and its influence on academic engine development experimental study and vehicle manufacturing
4. AN EXPERIMENTAL STUDY OF THE PERFORMANCE OF A HOMOGENEOUS CHARGE COMPRESSION IGNITION (HCCI) ENGINE FUELED WITH PALM OIL BASED BIODIESEL
5. An experimental investigation on the combustion and performance of an HCCI-DI engine
6. International regulation of vehicle emissions control rules and its influence on academic engine development experimental study and vehicle manufacturing
