## TEACHING EXPERIENCE

---

### Undergraduate Studies:

- 1- Teaching the following subjects to the undergraduate students at the College of Physical Education and Sport Sciences, University of Mosul, IRAQ.  
Measurement & Assessment.  
Statistics.  
Basketball.  
Official Basketball Rules  
Fitness.  
Kinesthetic Learning
- 2- Teaching Statistics and Swimming subjects at the Department of Physical Education, University of Hadramout, Yemen.
- 3- Teaching Basketball and Scientific Research at the Department of Physical Education, Al- Hamdaniya University, IRAQ.

### Postgraduate Studies

- 2- Teaching courses in Measurement & Assessment for both M.Sc. and Ph.D. Students, College of Physical Education and Sport Sciences, University of Mosul, IRAQ.
- 3- Teaching Statistics for Ph.D. students, College of Physical Education and Sport Sciences, University of Mosul, IRAQ.
- 4- Teaching courses in Measurement & Assessment for both M.Sc. and Ph.D. Students, College of Physical Education , Salah Al-Din University, Erbil, Kurdistan Region of Iraq.

## GRADUATE STUDENTS SUPERVISION

---

### M.Sc. Theses Supervision

- 1999, The Percentage of the Contribution of a Number of Physical Fitness Components to the Basic Skills in basketball
- 2000, The Growth of a Number of Elements of Physical Fitness in the Elementary Stage.
- 2002, The Physical Construction of the Iraqi Elite Football League Players as One of the Bases of Sports Selection.
- 2004, Building a Skill Test Battery for Young Basketball Players.
- 2004, A Comparative Study in School Social Adaptation Between Practitioners and non-Practitioners of Sports Activity and its Relationship to a Number of Physical and Psychological Variables.
- 2005, The Selection According to the Physical Level, Psychological Orientation, and its Effect on Learning some Basic Handball Skills.
- 2008, Predictive Ability of Physical Adequacy in the Skill Achievement of Organized Games.
- 2009, The Percentage of Contribution of Some Anthropometric Measurements to Basic Handball Skills in Secondary Schools.
- 2010, Building Tests to Evaluate the Skill Performance of Basketball Players.
- 2011, Discriminatory Analysis According to Some Physical and Skill Variables for Discerning Football Players.
- 2012, A Comparative Study in Performance Syndrome - Achievement of Objective Basketball Skills Tests by Level of Practice.

### Ph.D. Dissertations Supervision.

- 2001, Building a Measure of the Schematic Behavior for the Opened and Closed Skill in Tennis and its Relationship to Intelligence and a Number of Aspects of Attention.
- 2001, The Effect of the Physical and Skill Levels in Determining the Level of Performance Efficiency for the Basketball Players According to the Playing Centers.
- 2006, The Study of Sensitive Periods for the Growth of the Physical Characteristics for the Students Girls at School in the age of 6-18 Years.
- 2007, Building a Test Kit to Select School Football Players for the Ages (10-12) Years in Tikrit.
- 2011, Design and Construction of Tests of Kinesthetic Perception of Basic Wheelchair Basketball Skills.
- 2012, Predictive Validity of the Prediction Equations for the Skillful Performance of the Physical and Functional Determinants for the Selection of Junior Volleyball in the Ages of (14-16) Years.
- 2015, The Policies of the Iraqi Central Federation for Professional Pressure Management and its Role in the Organizational Trust of Basketball Referees.
- 2015, The History of the Basketball Game in Mosul from 1932 to 1988.
- 2020, Designing Alhadbaa Field to Test Some of the Scouting Skills and Kinetic Fitness for the Advanced Scouting Stage.

- 1989, Some of the Reasons for the Reluctance of Female Students of Basra University to Practice Sports Activities, Arab Journal of Higher Education Research, Syria.
- 1990, Dispersion in the Time of Performance and its Relationship to the Achievement, The Sixth Scientific Conference of Faculties of Physical Education , University of Mosul.
- 1990, Changing Load Size and its Effect on Free Throw Basketball Success, The Sixth Scientific Conference of Faculties of Physical Education, University of Mosul.
- 1993, The Skillful Performance and its Relationship to the Hierarchy of Teams in the Iraq Basketball League, Journal of Physical Education Studies and Research, Basra University, Issue 6.
- 1993, Evaluation of Attack Cases from the High Number of Volleyball Players, The Eighth Scientific Conference of Faculties of Physical Education, University of Basra.
- 1995, The Effect of Some Mechanical Variables on the Height of the Developing Core of Stability in Gymnastics, Al-Rafidain Journal of Mathematical Sciences Volume 2 Issue 3.
- 1995, Standard Scores for Basketball Players' performance in Iraq, Al-Rafidain Journal for Mathematical Sciences Volume 1 Issue 1.
- 1997, The Study of Time-out of Basketball, Physical Education Journal, College of Physical Education, University of Baghdad Issue 16.
- 1998, Sports Injuries for the Basketball Players, Al-Rafidain Journal of Mathematical Sciences Volume 4 Issue 10.
- 1998, Predicting the Practical Student's Level of Basketball in Terms of Physical Acceptance Tests, Al-Rafidain Journal of Mathematical Sciences Volume 4 Issue 11.
- 1999, Personality Traits of Basketball Coaches, The Eleventh Scientific Conference, College of Physical Education, University of Babylon.
- 2000, Sensory-Kinesthetic Perception of Strength, Speed, Ability and Amount of Error when Issued to Junior Basketball Players Aged 14-16 years, Al-Rafidain Journal for Mathematical Sciences Volume 6 Issue 20.
- 2000, Shooting Accuracy in Basketball from Different Regions, Al-Rafidain Journal for Mathematical Sciences Volume 6 Issue 17.
- 2000, Predictive Validity of Junior Basketball Selection Equations, Al-Rafidain Journal for Mathematical Sciences, Volume 6 Issue 20.
- 2000, The Growth of the Explosive Power of the Leg Muscles of Primary School Pupils in Nineveh Governorate Center (Comparative Degree) Between 2000 and 1999, Al-Rafidain Journal for Mathematical Sciences, Volume 6 Issue 20.
- 2000, Some Anthropometric Relationship with Some Personality Traits, Al-Rafidain Journal for Mathematical Sciences, Issue 18, Volume 6.
- 2001, The Skill Set and its Relationship to Determine the Level of Performance Efficiency of Basketball Players According to the Playing Centers, Journal of the Scientific Conference, Faculty of Physical Education, Diyala University, Volume 6.
- 2001, Evaluation of the Level of Schematic Behavior for the Opened and Closed Skills of First-Class Players in Ground Tennis Clubs, Journal of the Scientific Conference, Faculty of Physical Education, Diyala University, Volume 1.
- 2001, Physical Preparation and its Relationship to Determine the Level of Performance Efficiency of Basketball Players According to the Playing Centers, Journal of the Scientific Conference, Faculty of Physical Education, Diyala University, Volume 4.
- 2001, Percentage of Contribution of Some Elements of Physical Fitness to the Skill of Scoring Basketball, Al-Qadisiyah Journal for Physical Educational Sciences, Volume 1 Issue.
- 2001, Schematic Behavior for Opened and Closed Skills in Tennis and its Relationship to Intelligence, Journal of the Scientific Conference, College of Physical Education, University of Diyala, Volume 2.
- 2001, Physical Differentiation Function for Secondary School Students, Al-Rafidain Science Journal.
- 2002, The Natural Tendency and its Relationship to a Number of Skill Tests in Basketball, Journal of the College of Physical Education for Girls, University of Baghdad.
- 2002, The Relationship of Some Aspects of Strength (Elongation of Strength) to Thinking with Action, Quddiyah Journal for Physical Education Sciences.
- 2004, The Adoption of the Time Difference Between the Zigzag and the Zigzag Running Tests as the Basis for the Level of Clubbing of Basketball Players, Al-Rafidain Journal for Mathematical Sciences Volume 9 Issue 34.
- 2004, Students' Tendency Towards Leisure Time (A Comparative Study) Between Male and Female Scout Camps Students of the Ministry of Education, Al-Rafidain Journal for Mathematical Sciences, Volume 10 Issue 36.

- 2004, The Effectiveness of Performing Vertical Jumping from Different Positions, Al-Rafidain Journal for Mathematical Sciences, Volume 10 Issue 38.
- 2006, School Social Adaptation Between Athletes and non-Athletes Among Secondary School Students, Al-Rafidain Journal for Mathematical Sciences, Volume 12 Issue 42.
- 2007, Designing Skill Tests for Young Basketball Players, Al-Rafidain Journal for Mathematical Sciences, Volume 12 Issue 42.
- 2008, Building a Battery of Skill Tests to Select Football Players ages 10-12 Years, Al-Rafidain Journal for Mathematical Sciences, Volume 14 Issue 49.
- 2010, The Contribution of a Number of Elements of Physical Competence to the Level of Skill Performance of a Number of Basketball Skills, Journal of the College of Physical Education, University of Tikrit.
- 2011, Building a Battery for (Body - Functional) Tests for Secondary School Students Aged (13-15) Years in the City of Mosul, Journal of the Scientific Conference, College of Physical Education, University of Babylon.
- 2011, Building a Compound Skill Test to Measure the Skill Ability of Basketball Players, Journal of the Scientific Conference, College of Physical Education / University of Babylon.
- 2011, Design and Construction Tests to Perceive the Depth and Field of Vision for the Chest Handling of Wheelchair Basketball Players, International Conference, College of Physical Education, Yarmouk University, Jordan.
- 2019, The Pace of Increase for Some Elements of the Kinetic Fitness of Primary School Students, The Second International Conference, College of Physical Education and Sports Sciences, Salahaddin University.
