

CURRICULUM VITAE

Name: Fathie A.M Kundie
Date of birth: 1974
Gender: Male
Social status: Married
Nationality: Libyan
Country: Libya
City: Misurata
Email: fathie2@yahoo.com

Scientific Qualification:

- Bachelor in Dental Technology from College of Medical Technology - Naser University / Libya in 1996 - 1997.
- Master in Dental Materials from University Sains Malaysia / Malaysia in 2007.

Other Courses:

- English Language, Computer, and Dental Technology.
- Cathodic Protection (2004). University Sains Malaysia.
- Occupational Safety and Health. (2005). University Sains Malaysia.
- Scientific Writing and Research Methodology (2005). University Sains Malaysia.
- One Day Seminar on Nanotechnology (2006). University Sains Malaysia.

Languages:

Arabic - English.

Experiences:

- Dental technician in Porcelain, Prosthodontics, and Orthodontics laboratories at Faculty of Dentistry - Garyounis University / Libya since 1997 to 2004.
- Member in committee of Forth Libyan Dental Conference, which was held on 22th - 24th April 2008.

- Part-time member of teaching staff at Faculty of Medical Technology - Elmergib University / Libya. Teaching Complete Dentures I, II, and supervision of graduation projects since 2006 to 2009.
- Lecturer at the Higher Institute of Medical Technology - Misurata / Libya. Teaching Complete Dentures I, Occupational Safety, and supervision of graduation projects since 2006 to 2010.
- Part-time member of teaching staff at Faculty of Medical Technology – 7th October University / Libya. Teaching Complete Dentures I, II, and supervision of graduation projects since 2006 to 2010.
- Part-time member of teaching staff at Higher Institute of Medical Poly technique - Msalata / Libya. Teaching Complete Dentures I, II, Dental Occlusion I, II, and supervision of graduation projects since 2008 to 2010.
