AHMED S. ALAFAGHANI

[Gaza, Palestine] | [Ahmed.alafaghani@gmail.com] | [970 598279560]

EDUCATION
Islamic university of Gaza, Gaza
Bachelor in Electrical Engineering (Jun 2014)

EXPERIENCE

- Lecturer at Palestine technical college, Gaza
  From October 5, 2016 to Jan 17, 2017.

- Electrical Engineer at Alnour Company, Gaza
  From January 2015 to October 2016.

- Site engineer at Arab experience company, Gaza
  From October 2014 to January 2015.

- Electrical Engineer at the engineering office at the Islamic
  university of Gaza.
  From 2013 to 2014.

TRIINING COURSES

- PCB (40h), in IEEE.
- PLC, elective course in IUG.
- Power electronic, elective course in IUG.
- Electrical boards, elective course in IUG.
- Renewable energy, elective course in IUG.
- Matlab (60H), in Newline tic center.
- Computer network's (100H), in PIT center.

SKILLS & ABILITIES

- **Computer**: Office, OS and hardware maintenance.
- **Programming languages**: Visual basic, Python, Assembly,
  C++, Matlab, And Html.
- **Operating systems**: Windows, Linux and Android.
- **Engineering programs:** Visual studio, AutoCAD, WinCC,
  Spice, Labview, Dialux, ETAP, Protues and Matlab.
- **Control Systems:** PIC microcontroller, PLC, Classic control,
  Arduino and Raspberry pi.

LANGUAGE

- Arabic language - Native Language.
- English language.
