Training and Workshops

- September 15, 2020 Pass the Workshop "Step-By-Step guide on how to prepare as successful paper" at the Scientific Research Development Unit, Tanta University.
- September 15, 2020 Pass the Workshop "The way to Scopus" at the Scientific Research Development Unit, Tanta University.
- February 23-27, 2020 Pass the training program "The Integrated Weed Management in the Egyptian cultures" at the Weed Research Central Laboratory of Ismailia-Agricultural Research station, Ismailia.
- November 3-6, 2019 Arab Sustainable Development Week, Hilton Cairo Heliopolis, El Orouba, Sheraton Al Matar, El Nozha, Egypt.
- February 26, 2019 Pass the Workshop "Climate change and its relation to plant diseases" at Genetic Engineering Research Institute, Agricultural Research Center.
- February 4-5, 2019 The first joint Egyptian-Italian workshop on Innovative Scientific Research at National Research Center, Cairo, Giza.
- January 1, 2019 Pass the Workshop "Introduction to Scholarly publishing", at the National Research Center, Cairo.
- December 30, 2018 till January 3, 2019 Pass the training course in field of Agricultural Knowledge Management at Agricultural Extension & Rural Development Research Institute at Ismailia-Agricultural Research Station, Ismailia.
- November 12, 2018 Pass the Workshop "How to avoid Plagiarism", at Suez Canal University, Ismailia.

- November 11-25, 2018 Pass the training course in field of Biotechnology, at the Agriculture Directorate, Ismailia.
- January 15-21, 2018 Pass the training course in field of Statistical Analysis of Agricultural Field Experiments at Ismailia-Agricultural Research Station, Ismailia.
- November 13, 2017 Pass the workshop "Bibliometrics for International University Rankings", at Suez Canal University, Ismailia.
- October 22-26, 2017 Pass the Qatari training program on "Converting Agricultural Wastes into Bio-products between Theory and Practices" at Ismailia-Agricultural Research Station, Ismailia.
- March 19-23, 2017 Pass the training program in the field of The most important diseases of field and horticultural crops in Ismailia Governorate at Ismailia-Agricultural Research Station, Ismailia.
- February 28 till
March 1 , 2017 Pass the training program on How to use and activate the portal activities from the databases and knowledge sources available at the Egyptian Knowledge Bank portal, www.ekb.eg, at Suez Canal University, Ismailia.
- October 26-27, 2016 Pass the 14th workshop "Converting palm waste to vital products between theory and practice in Siwa Oasis. Participation from these projects, the global event "The second Egyptian Date Palm Festival" to highlight and clarify the pyrolysis technology for the remnants of palm and production of Biochar and Biocides and their use in date palm service, as one of the activities of the project.
- October 24-25, 2016 Pass the 13th workshop "Development of Fodder Resources of Sinai-Project in Matrouh Governorate", at Matrouh Governorate.
- March 20-24, 2016 Pass the training course in field of Technical recommendations on weed control, at Ismailia-Agricultural Research station.

January 31 till 18 February, 2016	Pass the training course in field of Designing and maintenance of irrigation networks, at the Agriculture Directorate, Ismailia.
January 17-19, 2016	Pass the workshop "Pre-Harvest pests" at the plant Protection Research Institute, Agriculture Research Center, Dokki.
October 7-8, 2015	Pass the 11 th workshop "Converting palm waste to vital products between theory and practice in Siwa Oasis. Participation from these projects, the global event "The first Egyptian Date Palm Festival" to highlight and clarify the pyrolysis technology for the remnants of palm and production of Biochar and Biocides and their use in date palm service, as one of the activities of the project.
October 4-5, 2015	Pass the 10 th workshop "Forage resources development in Matrouh Governorate", at Matrouh Governorate.
March 9-11, 2015	Pass the 9 th workshop "Pyrolysis of agricultural residues: production and characterization of Biochar soils management", at Ismailia-Agricultural Research station, Ismailia.
November 9-20, 2014	Pass the training course in the field of Recycling the waste of research farms for the productivity of secure compost and for the preservation of the environment from pollution.
November 24 till 5 December, 2013	Pass the training course in the field of Recent trend to control insect and animal pests, at Plant Protection Research Institute Agriculture Research Center, Dokki, Giza
November 18-22, 2013	3rd International Course on Integrated Pest Management "Alternative methods for reduction of pesticide use", Menemen-Izmir, Turkey.
April 14-25, 2013	Pass the training course in the field of Recent trend to control insect and animal pests, at Plant Protection Research Institute Agriculture Research Center, Dokki, Giza.

October 16-27, 2011	Pass the training program in the field of Integrated Pest Management of the major diseases expected on field and horticultural crops at the Plant Pathology Research Institute Agriculture Research Center.
May 8-19, 2011	Pass the training program in the field of Recent trends in the control of pests of common horticultural crops in the East Delta at the Plant Protection Research Institute Agriculture Research Center, Dokki, Giza.
October 19-21, 2010	Pass the training program "Biological management of agricultural wastes to produce compost and bio-fertilizers" from the project management "Biodegradation of agricultural waste into compost to improve productivity of crops and environmental protection", at Ismailia-Agricultural Research station, Ismailia.
February 28 till 4 March, 2010	Pass the training program in the field of Effect of soil conditioners on integrated land, water and environmental management, at the Soil, Water and Environmental Research Institute Agriculture Research Center, Dokki, Giza, at Ismailia-Agricultural Research station, Ismailia.
December 23-29, 2009	Pass the training program in the field of Plant diseases affecting the most important economic crops in Ismailia Governorate, at the Plant Pathology Research Institute Agriculture Research Center, Dokki, Giza, at Ismailia-Agricultural Research station, Ismailia.
April 14-29, 2008	Pass the training program in the field of Diagnosis and Control of plant diseases on the most important cultivated crops at Ismailia-Agricultural Research station, Ismailia.
December 3-18, 2005	Pass the training program in the field of Integrated pest Management of pests of horticultural crops and vegetables at the plant Protection Research Institute, Agricultural Research Center.

- February 20 till 5 March, 2005 Pass the training program in the field of the Integrated pest management of pests of horticultural crops and vegetables at the plant Protection Research Institute, Agricultural Research Center, at Ismailia-Agricultural Research station, Ismailia.
- January 18-31, 2004 Pass the training program in the field of the Integrated pest management of pests of horticultural crops and vegetables at the plant Protection Research Institute, Agricultural Research Center, at Ismailia-Agricultural Research station, Ismailia.

Conferences, Symposium & Seminars

- August 27, 2020 7th International Conference on Sustainable Agriculture and Environment (ICSAE-7), Surakarta, Indonesia.
Online Conference
- July 12-15, 2020 The challenges of Egyptian Agriculture in the Era of Corona. Online Conference
- December 15, 2019 International Symposium "Urban Water Security", National Research Center (EGYPT) & Sanitary Environmental Engineering Division (SEED) of the University of Salerno (Italy).
- October 19-20, 2019 The 1st First Conference of Plant Protection Science Applications for Sustainable Development of Desert Areas "Effect of climate change on plant pests and biodiversity in desert environment".
- September 16-18, 2019 The 1st NRC-Grenoble INP International Conference on Science and sustainable development "There can never be sustainable development without science", National Research Center, Egypt.
- October 10-13, 2018 8th Arabian Conference for Horticulture "Green desert (Hope requires Work)", Hurgada – Egypt.
- May 6-7, 2018 3rd Symposium of Plant Protection Research Institute "The Role of Biotechnology in Pest Control" at the plant Protection Research Institute, Agriculture Research Center.

March 20-22, 2018	7 th International Conference of the Egyptian Society for Environmental Sciences (ESES) "Applied research in energy, environment and development", Alexander Von Humboldt, Ismailia, Egypt.
October 14-15, 2017	13 th Scientific Conference of the Zoological Society, Zoology Dept., Faculty of Science, Beni-Suef University, Beni-Suef.
July 27, 2016	1 st Scientific Symposium of Zoology Department, "Recent Advances in Biological Sciences", Suez Canal University, Faculty of Science, Ismailia, Egypt.
April 26, 2016	5 th Seminar on "The role of ICI-project in Agriculture development in Egypt", at Ismailia Agricultural Research station, Ismailia, Egypt.
March 26, 2015	3 rd Seminar on "Using new molecular markers techniques in breeding strategy", at Ismailia Agricultural Research station, Ismailia, Egypt.
February 2-4, 2015	6 th International Conference of the Egyptian Society for Environmental Sciences (ESES) "Genetics, Biotechnology and Sustainable Development in safe environment", Suez Canal University, Ismailia, Egypt.
December 15-16, 2014	6 th International Conference on Natural toxins, Suez Canal University, Ismailia.
June 5, 2014	1 st Seminar on "Agricultural residues management with conservation agriculture: Potential, Constraints and Needs", Field Crops Research Institute-ARC at Ismailia Agricultural Research station, Ismailia, Egypt.
December 15-16, 2014	6 th International Conference on Natural toxins, Ismailia, Egypt.
December 17-19, 2012	5 th International Conference on Natural toxins, Suez Canal University, Ismailia, with a poster activity at Le Passage Hotel, Cairo, Egypt.
December 20-22, 2010	4 th International Conference on Natural toxins, Ismailia, Egypt.
April 7-10, 2008	The Second Arab Conference of Applied Biological Pest Control
December 18-20, 2006	2 nd International Conference on Natural toxins, Ismailia, Egypt.
June 18-19, 2006	1 st International conference on "Conservation and management of natural resources", Ismailia, Egypt.

 **Webinars**

October 18, 2020	Pass the Workshop "The use of synchrotron radiation in the field of experimental science and its applications in the Middle East (SESAME)" at the International Research Center SESAME from the Association of Arab universities.
October 16, 2020	Elsevier Workshop Secrets of getting published, [180 minutes] at Elsevier Life Science Solutions.
September 22, 2020	Coronavirus Disease (COVID 19) and possibility of second pandemic in the World. National Research Center, Cairo, Egypt.
September 19, 2020	Methods of scientific publishing in the International Journals at IFAD.
September 19, 2020	Challenges facing humanity at the age of COVID-19 and beyond (120 minutes), Second Saturday science webinar Women In Science Without Borders (WISWB).
September 7, 2020	Applications of safe bio-pesticide on some veterinary and agricultural parasites or pests. National Research Center, Cairo, Egypt.
September 5, 2020	Challenges facing humanity at the age of COVID-19 and beyond (100-120 minutes), First Saturday science webinar, Women In Science Without Borders (WISWB).
June 26, 2020	Plagiarism: Decision making & dealing with grey-zones across academic Fields.
June 16, 2020	How Reaxys can increase the efficiency of research related to Energy and Environment pillars? [90 minutes], at Elsevier Life Science Solutions.
June 03, 2020	The Book Publishing Process: An Elsevier Author Workshop (120 minutes), at Africa.

June 01, 2020	The Article Publishing Process: An Elsevier Author Workshop (120 minutes), at Africa.
May 20, 2020	Soutenir le développement de la recherche scientifique – Partie II (90 minutes) at IMIST, CNRST.
May 13, 2020	Soutenir le développement de la recherche scientifique – Partie I (90 minutes), at IMIST, CNRST.
April 30, 2020	Introduction to Scopus, Mendeley and Researcher Academy at Elsevier.
April 28, 2020	Introduction to ScienceDirect, Mendeley and Researcher Academy (1,5 hours) at Elsevier .
April 21, 2020	Best practices in submitting research for highly selective journals, at Cell Press.
April 16, 2020	Manuscript preparation & submission (Part 5 of 5, in Arabic language) at Egyptian Knowledge Bank.
April 13, 2020	Que peux-je faire sur ScienceDirect autre que télécharger les PDFs des articles qui m'intéressent? (60 minutes), at Centre de Recherche sur l'Information Scientifique et Technique.
April 13, 2020	Planning your article (Part 4 of 5, in Arabic language) at Egyptian Knowledge Bank.
April 9, 2020	Literature review & funding opportunities (Part 3 of 5, in Arabic language) at Egyptian Knowledge Bank.
April 7, 2020	Comment affiner ma recherche sur Science Direct pour accélérer la découverte des littératures pertinentes, at Centre de Recherche sur l'Information Scientifique et Technique.
April 7, 2020	Comment collaborer avec des auteurs? Comment trouver des moyens de financement?, at Institut Marocain de l'informations Scientifique et Technologique (IMIST).

April 6, 2020	Identifying a research Topic (Part 2 of 5, in Arabic language) at Egyptian Knowledge Bank.
April 3, 2020	Comment Choisir le sujet de ma recherche? at Center National Universitaire de Documentation Scientifique et Technique – CNUDST.
April 2, 2020	Elsevier core and research intelligence solutions on EKB (Part 1 of 5, in Arabic language) at Egyptian Knowledge Bank.

Honors & Awards

Best research award in applied research from Plant Protection Research Institute (PPRI), Agricultural Research Center (ARC), Egypt in 2015.

Thesis Supervision

Supervisor for a Ph.D. Thesis titled "**Induced resistance of some vegetable cultivars and its effects on the seasonal dynamics of the two-spotted spider mite and its predators in Ismailia governorate**".

Supervisor for a Ph.D. Thesis titled "**Biological rhythms and pesticide chronotoxicological studies on the two-spotted spider mite, *Tetranychus urticae* Koch**".

Supervisor for a M.Sc. Thesis titled "**Seasonal abundance patterns of mites and associated arthropods on some economic plants in Ismailia Governorate**".

Training Programs Supervision

Supervisor of the summer training program of Faculty of Science students from 2/7 to 10/8/2017 at the Agricultural Research Station in Ismailia.

Supervisor of the summer training program of Faculty of Agriculture students from 5/8 to 16/8/2018 at the Agricultural Research Station in Ismailia.

Language Certificate

Diplôme de Langue Française Alliance Française 1995

Lecturer

Giving a lecturer in the seminar of Plant Protection Research Institute-Agricultural Research Center (ARC) in 8/3/2016.

Giving a lecturer at Ismailia Agricultural Research Station, Agricultural Research Center (ARC) in 11/8/2020.

Professional Membership

Mentor in peer review, Publons Academy 7-2020

Bentham Open Ambassador 2019-2020

Member of Asian Council of Science Editors

Member of Athens Institute for Education and Research (**ATINER**)

Member of the Organization of Women in Science for the Developing World (**OWSD**)

Member of the Egyptian Society of Natural Toxins (**ESNT**)

Member of the Egyptian Society for Environmental Sciences (**ESES**)

Member of Arab Republic of Egypt Scientific Association for Horticultural Development (**SAHD**)

Member of the Egyptian Society of Acarology.

Member of the Zoological society Arab Republic of Egypt (**EJZ**)

Member of the Egyptian Society for Biosciences Advancement, formerly (**EGSZ**)

Member of the Arab Society For Plant Protection.
