## Biography

I was born in Al-Anbar, Iraq on October 7, 1995. I received my master's from Universiti Kebangsaan Malaysia, Malaysia in 2020 under the supervision of Prof. Nazlia Omar. My, master thesis is titled "Adverse Drug Reaction Detection Using Latent Semantic Analysis". I hold a BSc degree from University of Anbar, Iraq. My research interest is in the area of Data Science, machine learning, natural language processing, deep learning, and artificial intelligence.

## Education

**Master:** Computer Science (Artificial intelligence) university Kebangsaan Malaysia —2020.

One of the top students on the university kebangsaan Malaysia with a rate of 89.25, (3.57) where I was selected and awarded the medal of honor and distinction as one of the best top students in the world in the top 400 high ranking international universities for the year 2020 with the national university of Malaysia certificate according to the statistics of the golden key

**Bachelors:** computer science (information system) – 2016-2017. One of the top students on the university of Anbar with a grade (good) at an average of 79.121, where I was ranked (4) out of (51) graduates.

## Experience

09/2015 to 05/2017

### Technical support: Hala Al-Rafidain

My special work with end-users to provide technical support and assistance for technical, software and hardware problems.

05/2017 to 02/2018

### IT assistant's: Al Jazeera Al Arabiya

my work configuring hardware and software, setting up peripherals such as cisco or routers and mikrotik, memosa , repairing equipment, and providing daily support for computer network users. I have work at a help desk, answering calls and e-mails regarding the computer network or communication systems.

02/2018 to present

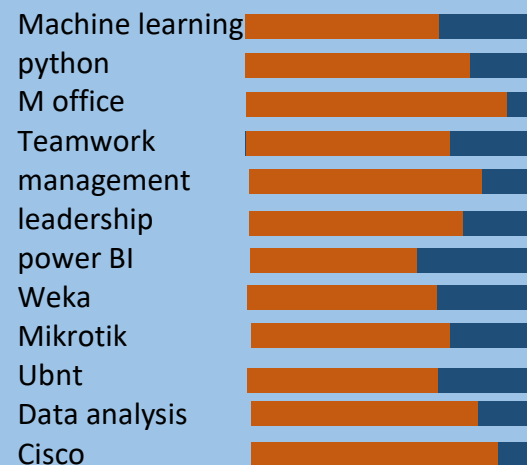

### IT programmer: Earthlink Telecommunication

I have wrote and test code (cisco, memosa, mikrotik, dude and ubnt that allows devise and software programs to function properly. training end-users.

Fiber Optic Technician: Resolve, repair and install fiber optics systems and ensure that they work properly

## skills

## Hobbies

- **Travelling.**
- **Reading.**
- **Coding.**
- **Learning languages**
- **Playing Football**

## Languages

Arabic (native)

English (very good)

Malaya (good)

## Certificates

**Teaching methods** excellence, from University of Technology

**Arabic language safety** very good, from University of Technology

**Wall street English Malaysia:** Completed level 8.

## Training course

**Embassy of republic of Iraq cultural attaché Kuala Lumpur:** Skills of Writing publishing high impact research manuscript.

**Yemeni club:**

The 1<sup>st</sup> annual academic research seminar on meta-analysis & time series analysis.

**IFAD:** Scientific Publishing Strategies in the International Journals.

**Sana'a University:**

indexed and non-indexed and predatory journals.

The main factors for publishing in high impact journals.

**Alsalam Club :** Research sequences action (starting , literature , shaping and deliver).

## Award

09/2015 to 05/2017

**Golden key**

I have hereby granted all honours benefits and privileges pertaining membership of the society based on top 15% academic achievement as validated by UKM 2020

05/2017 to 02/2018

## journal articles

**Adverse Drug Reaction Detection Using Latent Semantic Analysis**

DOI: <https://doi.org/10.3844/jcssp.2021.960.970>

**A Hybrid Method of Long Short-Term Memory and Auto-Encoder Architectures for Sarcasm Detection**

DOI: <https://doi.org/10.3844/jcssp.2021.1093.1098>

## Peer-reviewed

Review manuscripts in the journal of computer science

- Scopus coverage years: from 2008 to Present
- Publisher: Science Publications
- ISSN:1549-3636

## membership

- Golden Key International Honour Society
- Iraqi Forum for Intellectuals and Academics
- Arabic international Academy for training and consulting

# My Workshop Trainer

I am the lecturer in these workshops

- How to start research**
- Research selection(Question)**
- Structure of research (Title to references)**
- Research query (practical )**
- Installation of Mendeley desktop (practical )**
- Adding references (practical )**
- Insert citation (practical )**
- Insert bibliography(practical )**
- Instillation Grammarly (practical )**
- Plagiarism report using Turnitin (practical )**
- Paraphrasing using QuillBot (practical )**
