

Curriculum Vitae

Family Name:	Ghandour
First Name:	Atef
Work Address:	Agricultural Engineering Research Institute, Nadi Elseed St., Dokki, Giza, Egypt
E-mail:	Atef_ghandour@yahoo.co.uk , afghandour@gmail.com , afghandour@ucdavis.edu ,
Mobil:	+2-01281657675
Date of Birth:	7 Feb. 1965

University Education (degree achieved and current study / current data at the top)

Dates: Description (brief):

1988	B.Sc., Agricultural Engineering, University of Zagazig Eg., 1988
1995	M.Sc., Agricultural Engineering, University of Zagazig Eg., 1995
2001	Ph.D., Agricultural Engineering, University of Zagazig Eg., 2001
2002- Present	Researcher, Water Resources, Agricultural Engineering Research Institute, Egypt

Practical Training (current data at the top)

Dates: Description (brief):

2014 - Present	New Approach for Measuring Crop Evapotranspiration and Updating Crop Coefficients in Egypt, a joint cooperative project between the University of California, Davis (UCD), Agricultural Research Center (ARC), University of Zagazig and ICARDA
2008	Modeling Evapotranspiration (ET) of Applied Water in Egypt, DWR CA, and UC Davis, USA
2005	California Dept. of Water Res. Delta Modeling Group, Estimating ET of applied water in the Sac.-San Joaquin River Delta.
2002	Developing of water irrigation systems in Egypt.

Scholarships / Awards (current data at the top)

Dates: Description (brief):

2005	Visiting Scholar, UC Davis, Land Air and Water Resources Dept., CA, USA

Language

Languages: Which level (certification level)?:

English	Very Good
Arabic	Native Language
French	Little bit
