

Academic C.V.

Mohammad Ibraheem Ahmad Ibraheem, Researcher, Computing and Informatics.

Member of Egyptian Society of Information Systems and Computer Technology.

Qualifications:

- MSc., Management Accounting Information Systems, Alexandria University, Egypt (2010).
- PG Diploma in Cost and Managerial Accounting, Alexandria University, Egypt (2000).
- PG Diploma in IT, Amity University, India (2014).

Academic Experience:

- Reviewer (Since early 2014) at Egyptian Informatics Journal (ISSN: 1110-8665), Published by Elsevier on behalf of Faculty of Computers and Informatics, Cairo University, Egypt.
- Advisory Board Member and a reviewer as well (since early 2015) at Saba Journal of Information Technology and Networking (ISSN: 2312-4989), Faculty of Computer and Information Technology, Saba University, Yemen.
- Editorial team member and a reviewer as well (since early 2016) at Independent Journal of Management & Production (e-ISSN: 2236-269X), Brazil.
- Reviewer (Since June 2018) at EURASIA Journal of Mathematics, Science and Technology Education, UK.

Research Efforts and Published Work:

Conference Papers:

- “Incorporating Technology Acceptance into IT Investment Decisions: An Exploratory Study in Arab Republic of Egypt,” in *Proc. of First International Conference on Computing and Informatics (ICCI'12)*, Cairo, Egypt, December 11-12, 2012
- “IT BSC: A Comprehensive Framework for IT Evaluation, IT Management, and IT Governance,” in *Proc. of Third International Conference on ICT in Our lives 2013*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, Alexandria, Egypt, December 21-23, 2013.
- “Incorporating Technology Acceptance into Composite IT BSC for IT Investment Evaluation: An Exploratory Study in Egypt,” in *Proc. of Ninth International Conference on Informatics and Systems (INFOS2014)*, Cairo, Egypt, December 15-17, 2014, Available at IEEE Xplore
- “Unified Theory of Acceptance and Use of Technology (UTAUT): A Decade of Validation and Development,” in *Proc. of Fourth International Conference on ICT in Our lives 2014*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, Alexandria, Egypt, December 20-22, 2014.

- “Information Technology Investments Decisions In Egypt: State of the Art of Information Technology Evaluation Methodologies,” in *Proc. of 49th Conference on Statistics, Computer Science and Operations Research (SCSOR49)*, Cairo, Egypt, December 22-25, 2014.
- “The Role of Scientific Social Networks in Scientific Knowledge Sharing Among Researchers: Insights from Academia and ResearchGate” in *Proc. of 22nd Conference on Information Systems and Computer Technology: Knowledge Sharing, Transfer and Management to Promote National Innovation and Development*, Sadat Academy, Cairo, Egypt, May 13-14, 2015.
- “Duplicate Publication, Divided Publication, Text Recycling, and Copyright Infringement: What Do’s and What Don’ts to Avoid Self-Plagiarism” in *Proc. of Plagiarism in Academic Research 'The Phenomenon and its Treatment'*, Beni-Suef University, Beni-Suef, Egypt, November 16-17, 2015 (Coauthor: Ms. Dalia Mahfouz)
- “Academia and ResearchGate as Multidisciplinary Scientific Social Networks: Prospects for Interdisciplinary Research” in *Proc. of Third International Conference on The Future of Interdisciplinary Studies in Human and Social Science*, Faculty of Arts, Helwan University, Cairo, March 15-16, 2016 (Coauthor: Ms. Dalia Mahfouz)
- “Two perspectives of Sustainability in Technology Acceptance Literature: Sustainable Acceptance of Technology Vs. Sustainable Technology Acceptance”, in *Proc. Of Seventh International Conference on ICT in Our Lives 2017 “IS for Sustainability”*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 16-18, 2017

Conference Scientific Poster:

- “Enterprise Information Architecture: Concepts and Applications,” Scientific Poster presented at *First Arab Conference on Information Science” Information Architecture” (IA2015)*, Beni Suef, Egypt, April 5-6, 2015.
- “Scientific Social Network as scientific Research platform: Insights from Academia and ResearchGate”, Scientific Poster presented at *Fifth International Conference on ICT in Our lives 2015*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 21-23, 2015.
- “IT Evaluation Approaches and Methods”, Scientific Poster presented at *23rd Scientific Conference for Information Systems and Computer Technology "Managing Information Technology"*, Cairo, October 12-13, 2016.
- “Technology Acceptance Theories and Models Contributing to UTAUT” Scientific Poster presented at *sixth International Conference on ICT in Our lives 2016*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 17-19, 2016.

Conference Tutorial:

- “Preparation and Publication of Scientific Research Based on Thesis Work,” (in Arabic) Tutorial Presented at *Fourth International Conference on ICT in Our lives 2014*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 20-22, 2014.
- “One Research Outcome is not Enough” (in Arabic), presented at *Fifth International Conference on ICT in Our lives 2015*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 21-23, 2015.
- “International Publishing Considerations and Challenges for Researchers” (in Arabic), presented at *Arab Conference on Scientific Research Preparation and Publication*, Arab Union for Leadership Development (AULD), Azhar University, Egypt, May 5, 2016.
- “Enterprise systems and Business Technologies in a Connected World” presented at *sixth International Conference on ICT in Our lives 2016*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 17-19, 2016.

Conference Keynotes:

- “Social Networks for Technology Researchers and Professionals”, presented at *First Military Technical Collage Conference “IUGRC 2016”*, July 25-28, 2016.
- “Information and Communication Technology Tools Supporting Scientific Research” presented at *Seventh International Conference on ICT in Our Lives 2017 “IS for Sustainability”*, Information Systems and Computers Department, Faculty of Commerce, Alexandria University, December 16-18, 2017.

Workshops:

- “Researchers Social Networks for Knowledge Integration and Innovation Workshop” presented at *Second international conference of Alexandria University, Sep 29, 2017*

Work under publication:

- Conceptualizing E-World (To be Presented in a Forthcoming Conference)
- IT Productivity Paradox: A Meta-Analysis of Empirical Findings of IT Returns (To be submitted to *Saba Journal of Information Technology and Networking (SJITN)*, **Abstract Accepted**)
- Meta-Analysis Methodology in IT Field (May be Presented as a Paper in a Forthcoming Conference or submitted to a Scientific Journal)

Participation in Conferences:

- Tenth International Scientific Conference of Faculty of commerce: The Role of Service Industry in supporting competitive capabilities of National Economy, Faculty of commerce, Alexandria University, Alexandria, Egypt, December 8-9, 2010
- Pharos International Conference of Business Development, Innovation and Challenges, Pharos University, Alexandria, Egypt, October 22-23, 2014

Research Interests:

- Decision Support and related Managerial Issues
- IT evaluation, IT Management and IT Governance
- IS Success and Failure
- Enterprise Architecture and related technologies and Concepts
- IT Investment Decisions and IT Adoption
- Technology Acceptance Models and Theories
- Methodological Issues related to IT and Business Research
