

Curriculum Vitae

Name : Ahmed Ould M'Bareck Ould Meissa
Graduation: Ph.D in Technical Sciences
Field : Mechanical Engineering
Date of birth: 18/12/1972
Place of Birth: Atar
Nationality : Mauritanian
Address : Societe Mauritanienne des Hydrocarbures,
P.O.Box 4344, Nouakchott, Mauritania
Telephone (00222)46428460 /22428460
E-mail : meissa1272@yahoo.com

DIPLOMAS:

2001: **Doctorate (PH.D In Technical Sciences)**; from Saint-Petersburg State University.
1997: **Master in engineering** speciality: Exploitation of the energy installations and their Principal and Auxiliary elements; from Baltic State Academy.
1997: **Mechanical Engineer**; from Baltic State Academy.
2005: **Certificate of Competency** in petroleum Geophysics; from Woodside Petroleum School and University of Western Australia
2005: **Certificate** of Project Management in Oil and Gas ;From Curtin University; Australia

Work EXPERIENCE:

31/12/2013 – till present –Full time lecture of mechanical engineering course at Nouakchott High School of Teachers.
10/09/1997-15/7/1998: part-time Assistant lecturer (Automation of the energy plants) at Baltic State Academy of Kaliningrad
20/10/1999-13/06/2000: Assistant In charge of practical Work (thermodynamic) and the laboratories (Turbines).at Baltic State Academy of Kaliningrad
18/09/2000-28/05/2001: Assistant in charge of Work directed (Data-processing applied to the diagnosis of the diesel engines) in Baltic State Academy of Kaliningrad.

03/09/2001-28/12/2001: Part time lecturer of the courses of Thermodynamics, Heat Transfer and Turbines at the Baltic State Academy of Kaliningrad.

23/02/2002 –15/06/2013: Part-time lecturer of thermodynamics and heat transfer and Physics at the University of Nouakchott, Faculty of Science and Technology, Department of Physics

01/11/2002 – 30/07/2004: International Petroleum Grouping (IPG); Mechanical Engineer

05/04/1998 to the 20/10/1998: SEA - RIVER - SERVICE LTD- KALININGRAD, engineer of Maintenance of the energy plants and the Diagnostics of the diesel engines

01/08/2004- till present – Societé Mauritanienne des Hydrocarbures SMH; Geophysical Engineer.

23/11/1996 to the 02/04/1997: Chinese Mauritanian of Management (M.C.G.), mechanical engineer

TRAINING COURSES :

15/01/2007- 15/03/2007 – PETRONAS, KL, PRAM/Prospect Maturation Department, Geophysical Engineer

07/06/2005-02/12/2005 - Woodside Energy Ltd; Perth Western Australia, Section Geosulition; Geophysical Department, Geophysical Engineer

21/10/2005- 11/11/2005 -Sea going on seismic acquisition; Timor Sea; VikingII VERITAS

30/04/2002 - the 30/09/2002 - SONELEC (Power station of Nouakchott) training course practises with the Operations department.

16/09/94 - 30/11/94 - Bureau de coopération et de Développement de Pêche (BCDP) Nouadhibou, mechanical trainer

. 01/08/96 - 23/11/96 – Societe International du Pêche et du Commerce (SIPECO), Nouadhibou, mechanical trainee.
