Committee member of MBBS curriculum, 2006-WEST KORDOFAN UNIVERSITY,

Special Academic and Research Skills

- SPSS and CALMED good user
- Excellence presentation skills
- Graphic software user (Photoshop)
- Spirometry and cardiopulmonary procedures instruments usages advisor and technologist
- Nutrition planning and assessment for screening questionnaire

COURSES & INTERESTED SUBJECTS\ TEACGING

Pathophysiological basic for nutrition students

Nutritional Physiology

Exercise Nutrition

Human Physiology (General)

Human Physiology (Systems)

Metabolism Biochemistry

Basic Nutrition Therapy

Nutrition Counseling

FOR POSTGRADUATES: Exercise Physiology, Electro-physiology, Basic Human Nutrition

RESEARCH / FIELD WORK EXPERIENCE

- Physical Activities and cardiopulmonary disorders Risk Factors- under-graduates research supervision since 2017
- Handgrip measurement as cardiopulmonary potential function alter, Khartoum, Summer 2019 Field School

PUBLICATIONS

1. Sami A. "Conjugated Impact of Training Fitness and Dietary Counseling on Arterial Blood Pressure Among Sudanese Adults." Dissertation.

HONORS / AWARDS

MERETI Fellowship, 2016

AU-PT Teaching faculty council thanks, 2021

MEMBERSHIPS / AFFILIATIONS

ISPO, 2017-2018 N^o 12134

SIDRA for scientific research Sudan permeant member

ASP, USA-2013

Sudanese Universities Staff Union member
