

Scientific Biography

Name: Niran Sabah Jasim

General Specialization: Mathematics

Field of Specialization: Mathematical Application/ Applied algebra

Academic Attainment: Doctor

Donor: Mustansiriyah University / College of Science

The Scientific Title: Assistant Professor

Date of Obtaining The scientific Title: 31/8/2013

Official e-mail of the teaching (smart mail): niraan.s.j@ihcoedu.uobaghdad.edu.iq

The name of the lecturer on the page (Research Gate): Niran Sabah Jasim

The name of the lecturer on the page (Google Scholar): Niran Sabah Jasim

The name of the lecturer on the page (Publons): Niran Sabah Jasim

The name of the lecturer on the page (Orcid): Niran Sabah Jasim

Administrative Position: None

Number of committees participating: 10

Number of Published Researches in Iraq: 8 Researchers

Number of Published Researches Worldwide: 12 Researchers

The Number of Letters and Messages Supervised By: None

Number of Conferences in which He Participated: Five Conferences

- 1- The first scientific conference for students of the Department of Mathematics for the period 4/5/2010 (Attendance).

- 2- The 17th Conference of the College of Education, Al-Mustansiriyah University, for the period 5-6/5/2010, (share by research).
- 3- The 28th Scientific Conference (Mathematics and Computer Mirror for Development and Development in the Faculty of Education, Al-Mustansiriyah University, for the period 26-27/4/2017, (Attendance).
- 4- First International Scientific Conference at College of Education for Pure Science -Ibn al – Haytham, for the period 13-14/12/2017, (share by research).
- 5- The second international scientific conference, University of Kerbala, College of Education for Pure Science, 15 / 4 / 2019, (share by research).

Number of scientific seminars in which he participated: 30

Number of Letters of Appreciation and Certificates of Appreciation:

(25) Letters of Appreciation and (15) Certificates of Appreciation

Awards He Got: None

Books Composed or Compiled: None

Other Local or International Scientific Activities:

- (1) Member of the Council of the Department of Mathematics.
