ORCID: <https://orcid.org/0000-0003-2338-8282>

## Educational Qualification

**2014** MSc. Degree in Biochemistry and Molecular Biology (Cairo).

**Title of the MSc. Thesis:**

**“Hypoglycemic and antioxidant effect of barley (*Hordeum vulgare* L) in mature male rats”**

## Employment History

2016 – Present Department of Basic science, Faculty of Dentistry - Al- Qadisiyah University, Iraq

2015 – 2016 Researcher at the Mitochondrial Signaling Lab, Dept. of Physiology and Biophysics, College of Veterinary Medicine, Kufa University, Iraq.

Occupation: Lecturer of Biochemistry and Molecular Biology, Faculty of Dentistry , Al- Qadisiyah University, Iraq

### Dept. Responsibility:

Teaching courses of Biochemistry and Molecular Biology

### Other activities:

- Participated in the organization of the training courses on local & general anesthesia at the Basic science , College of Dentistry - Al- Qadisiyah University \2019.
- Participated in the organization of the training courses on surgical sewing at the Basic science , College of Dentistry - Al- Qadisiyah University \2019.
-

**Areas of interest:** Genomics and Stem cells .

## **Publications**

1) Alsaedi,H.,Prince,A.,Quraishi,D.,and Ali,M.(2019).Gene expression alterations in delayed wound healing in diabetic rats treatment of stem cells and platelet-rich plasma. Biochem. Cell. Arch.19(1):1783-1790.

## **Collaboration in Scientific Projects**

**A)** Participated in the organization(collaborator)of the(5<sup>th</sup> Era of Biotechnology &Personalized Medicine) at the Aarab society of stem cells& molecular biology In Cairo, Egypt . Augyst-2019.

**B)** Participated in the organization(collaborator)of the(3<sup>rd</sup> International and 11<sup>th</sup> National Iranian biotechnology Congress) In the Tehran,Iran.September-2019.

**C)** Participated in the organization of the(World Smile Day Festival) In the College of dentist - Al- Qadisiyah University \2018.

**D)** Participated in the organization of the(World Smile Day Festival) In College of dentist - Al- Qadisiyah University \2019.

## **Conferences, Training courses and Workshops**

1- Lecturer and organizer in the first training course entitled [\*local &general anesthesia\*](#) organized by Faculty of Dentistry, Al- Qadisiyah University in IRAQ , 17-18 March, 2019.

2- Lecturer and organizer in the first training course entitled [\*surgical sewing\*](#) organized by Faculty of Dentistry, Al- Qadisiyah University in IRAQ , 26-28 February, 2019.

3- Actively participated in the workshop on [\*Writing research and scientific publishing\*](#) organized by research & publishing in Baghdad ,Iraq January, 2019 .

4- Attendance participated in the International training course on [\*Advanced Analytical Instruments in Chemistry & Physics\*](#) organized by authority of university of Kashan,IRAN 1-5 February, 2019 .

5- Attendance participated in the International workshop on [\*Real-Time PCR in diagnostic & Research\*](#) organized by Biotechnology center for services and researches of Faculty of Veterinary Medicine, Cairo University, Egypt 8-9 December, 2013.

6- Oral presentation at the [\*The IV National Veterinary Pharmacology and Toxicology Congress\*](#) organized by Firat University,Turkey 11-14 September, 2013.

- 7- Poster presentation Titled ((hypoglycemic action of barley, whole grain in diabetic rats)) at the [2nd International Scientific Conference \(ISC2019\)](#) Organized by College of Science, University of Qadisiyah, Diwaniyah, Iraq 24-25 April 2019.
- 8- Attendance & Actively participated in the [4th international conference of virology](#) organized by Egyptian society of virology, Egypt 14-16 November, 2012.
- 9- Participated in the [2nd scientific conference of the scientific association of animal health research institute \(SAAHRI\)](#) organized by animal health research institute, Egypt 16-18 February, 2014.
- 10- Attendance participated in the International training course on [Real Time polymerase chain reaction](#) organized by animal health research institute, Egypt 2-6 November, 2012.
- 11- organization(collaborator)of the [3rd International and 11th National Iranian biotechnology Congress](#) In the Tehran, Iran. September-2019.
- 12- Participated in the organization(collaborator)of the [5th Era of Biotechnology & Personalized Medicine](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt. August-2019.
- 13- Attendance in the workshop on [Transformative learning promoting the understanding level](#) Organized by College of Science, University of Qadisiyah, Diwaniyah, Iraq 26 April 2017.
- 14- Attendance in the workshop on [Bioinformatics](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt .21<sup>th</sup> JULY, 2019.
- 15- Attendance in the workshop on [Mitochondrial isolation](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt .20<sup>th</sup> JULY, 2019.
- 16- Attendance in the workshop on [Gene expression analysis](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt .22<sup>th</sup> JULY, 2019.
- 17- Attendance in the workshop on [Stem cells isolation](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt .20<sup>th</sup> JULY, 2019.
- 18- Attendance in the workshop on [Proteome expression analysis](#) at the Aarab society of stem cells & molecular biology In Cairo, Egypt .21<sup>th</sup> JULY, 2019.

### **Awards**

- The best training course entitled [local & general anesthesia](#) organized by Faculty of Dentistry, Al- Qadisiyah University in IRAQ , 17-18 March, 2019.
- The best training course entitled [surgical sewing](#) organized by Faculty of Dentistry, Al- Qadisiyah University in IRAQ , 26-28 February, 2019.

### **Other Skills**

- Computer:**
- Microsoft Word, Microsoft PowerPoint, Microsoft Excel
  - Adobe Photoshop
  - Chemdraw (for molecular designing and modeling)
  - (Image Master 2D Platinum; Amersham Bioscience,

- (The software for 2DE gel analysis)
- Multiguage Program (for Expression analysis).
  - Image J Program for measuring the size and relative percentages.
  - Origin 6 professional and SPSS programs for statistical analysis.

**Languages:** Arabic (Mother tongue)  
English (Excellent)

### **Memberships**

1. *Arab society of stem cells& molecular biology* (ASSCMB)
2. *The Society of Pathological Biochemistry and Blood Research* ,Egypt.
