

# CURRICULUM VITA

## PERSONAL DATA

**NAME** : Yussef Adnan Yussef  
**OCCUPATION** : Chemistry teacher.  
**ORGANIZATION** : Ministry of Education.  
**ADDRESS** : Secondary School Al-Sadeeq– Ministry of Education –Madinah  
- Saudi Arabia  
**CONTACTS** : **Mob.** 00966503216461.  
E-mail : [you\\_1432@hotmail.com](mailto:you_1432@hotmail.com)

## ACADIMIC QUALIFICATIONS

**M.Sc.** (2017) From King Abdul Aziz University, Saudi Arabia, Subject: Organic Chemistry.

**Title:** Synthesis of New Fluorine Substituted 1,2,4 – Triazolo -1,2,4 – Triazine Derivatives as Biocidal Targets.

Academic average: 4.64

**B.Sc.** (2008) From Taibah University, Saudi Arabia, Subject: Chemistry.

## EXPERICENCES

2011, until date,

- Teaching Chemistry and practical experiments in Government Schools – Ministry of Education –Madinah, Saudi Arabia.

2015 - 2017,

- Researcher at King Abdul Aziz University during the Master program
- Doing research on Synthesis of New Fluorine Substituted 1,2,4 – Triazolo - 1,2,4 – Triazine Derivatives as Biocidal Targets.

2009,

- Working in hospital sector (administration).

## RESEARCH INTEREST

- Organic chemistry
- Heterocyclic Chemistry like Synthesis of novel 1,2,4-triazine derivatives systems.
- E-Learning in Chemistry

## TRAINING COURSES:

- I attended a workshop on “Synthesis of novel 1,2,4-triazine derivatives systems.”, 2017
- I attended a training course on “Quality and development”.
- I attended a training course on “Computer Science + ICDL”
- I attended a training course on “Communication skills”.
- I attended a training course on “English Language” held by the A2Z School of English, Manchester, UK.

## CONFERENCES:

- I attended the Taibah International Chemistry Conference organized by Taibah University, Madinah, Saudi Arabia from (2009).
- I attended the Taibah International Sciences Conference organized by Taibah University, Madinah, Saudi Arabia from (2010).
