Flat No. 01-07,  
South City Plaza,  
Seri Kembangan, 43300  
Serdang, Selangor.  
Tel: (mob) 0149035750  
E-mail: [mhmdaldbag@yahoo.com](mailto:mhmdaldbag@yahoo.com)

**Experience** Research assistant since 2010  
Computer Technician from 2<sup>nd</sup> of June 2007 to 10<sup>th</sup> of June 2008.  
Java & JSP programmer for 1 year from 5/6/2010 to 10/6/2011.

**Workshop** A speaker in Effective Thesis Writing and Importance Guides for Research, **8<sup>th</sup> of Aug, 2015**

Speaker in four of PhD seminar

**Qualifications** PhD: Information Technology, Universiti Utara Malaysia  
**Already Submitted Six Chapters.**

MSc: Information Technology, University Utara Malaysia, 2010

B.: Software Engineering, Al-Rafidain university  
College, 2007.

**Knowledge**

Language	Level
Java	Good
JSP	Good
SQL, Mysql	Good
SPSS	Good
C, C++	Satisfaction
V.B	Satisfaction
HTML	Satisfaction

**Courses  
& Training**

Certificate of complete Java Academic Course in 40 hours in 2008.  
Microsoft Certificate Systems Engineer and Cisco Certificate  
Network Associate workshop 2009.

Microsoft Visual Studio Course (Beginner Level), 2010.

Joomla Course (Beginner Level), 2010.

ASP.NET using VB.NET workshop 2009.

“Wireless Communication System: Wireless Network Fundamentals”  
workshop 2009.

International course drive license ,ICDL 2006.

Programmer C, C++, MySQL, SQL, JSP and Java languages.

Adobe Photoshop Course(Beginner Level) 2010.

**Language** Arabic: (Mother tongue),

English: Very good

Malay: Beginner.

**Personal details**

**Reviewer in:** American Association for Science & Technology, 2015

IEEE Conference on Open Systems (ICOS2014).

**Member of :** IEEE since 2012, 2013 & 2014, 2015.

Iraqi nationality. Age 29, Single, non-smoker. Full Insurance,  
International Drive license.

**Publications**  
*Journal*

Electronic Information Sharing Influence Factors in Higher Education Sector. *International Journal of Electronic government*, 2015, **Published & Index in Scopus in UK.**

Electronic Information Sharing between Public Universities and Ministry of Higher Education and Scientific Research: A Pilot Study, *Journal of Theoretical and Applied Information Technology*, 2015, **Published & Index in Scopus in Pakistan.**

Data Warehouse to Increase Electronic Information Sharing In Higher Education: An Empirical Study. *Jurnal Teknologi (Sciences and Engineering)*, 2015, **Indexed by Elsevier: Published Scopus) in UTM Malaysia.**

Electronic Information Sharing to Improve Decision Making in Public Universities. *Asian Journal of Applied Sciences* 2(6), 957- 963.2014. **Published & Index in Scopus in Pakistan.**

Data Warehouse as an Influence Factor in Information Sharing in Public Organization. *Advanced Computer and Communication Engineering Technology*,2015, **Publish in Springer & Index in Scopus and Thomson Reuters.**

Can or Can not? Electronic information sharing Factors Influence the Behavior, *Journal of Procedia Computer Science*, **2015, Published under Elsevier and ScienceDirect (Scopus indexed).**

Influence E-government Factor to Reduce Administrative and Finance Corruption in Arab Countries: Case Study Iraqi Oil Sector. **Published American Institute of Physics (AIP) Index in ISI and Scopus**

Flexible Data Warehouse Parameters: Toward Building an Integrated Architecture. *International Journal of Computer Theory and Engineering*. 2015, **in Singapore**

Data Warehouse Techniques with E-government for Malaysian Universities. *International Journal of Computer Science Issues*, 2012 **in Mauritius.**

Convert Database Structure into Star Schema Structure for Data Warehouse. *International Journal of Scientific & Engineering Research*, 2012, **in India**

Meta-data and Data Mart solutions for better understanding for data and information in E-government Monitoring. *International Journal of Computer Science Issues*, **in Mauritius.**

**Conference** Influence Factors of Electronic Information Sharing in Higher Education Sector. **Knowledge Management International Conference. 2014.**

Knowledge Sharing to Enhance Scientific Research Among Universities. **Knowledge Management International Conference. 2014**

Data warehouse for Human Resource by Ministry of Higher Education and Scientific Research. **International Conference on Computer, Communications, and Control Technology (I4CT), 2014. IEEE**

Follow up System for Directorate of Scholarship and Cultural Relations in Iraq. **International Conference on Computer, Communications, and Control Technology (I4CT), 2014. IEEE**

General E-government Framework for Iraqi Decentralization Government. **Conference on e-Learning, e-Management and e-Services (IC3e 2013), Sarawak, Malaysia. IEEE**

E-government Framework Uses Data Warehouse Techniques to Increase Information Sharing in Iraqi Universities. **Conference on e-Learning, e-Management and e-Services in 2012. IEEE**

Implementation of Data Warehouse Architecture for E-Government of Malaysian Public Universities to Increase Information Sharing Between Them. **Rural ICT development (RICTD) Conference in Melaka, Malaysia, 2013.**

ConvertDatabase Structure into Star Schema Structure for Data Warehouse Global **Conference for Academic Research – GCAR, 2012, Kuala Lumpur, Malaysia.**

E-government Supported by Data warehouse Techniques for Higher education: Case study Malaysian Universities. Conference of computing Communication and network technology **Islamic University, Babylon, Iraq.**

***Future works***

Knowledge Sharing amongst Researchers to Enhance Scientific Research in Universities

G2G Information Sharing Theoretical Framework amongst Public Organizations.

Electronic Information Sharing to Support the Principle of Decentralization in Higher Education Sector.

Successful E-government Factors to Improve the Decentralization in Higher Education Sector.

Investigate the Influence Factors that increase the electronic information sharing among Iraqi public universities.

Develop E-government by Data warehouse techniques to Support Decentralization Principle in Iraqi higher education Sector.

Decentralized Iraqi e-portal model for Open Data Principle.

Introduce the E-government and Its Challenges in Iraq.

E-government Information Sharing among the Interagency.
