

# Hamza Khalifa Ibrahim

E-mail : hamzakhilifa2009@gmail.com  
Phone : +218923246076

Website: <https://www.researchgate.net/profile/Hamza>  
Address: Allotafa Bani Waleed-  
Libya

## OBJECTIVE

---

I'm Looking forward to continues my study PHD degree in my field chemistry or in any closer fields and I really want to discover this field to increase my knowledge and experience to help me to achieve progress in this sector in my area where I can working.

## Education

---

### MSc in Chemistry

September 2010 — April 2014

Faculty of Chemistry Belgrade

**60:units** .

Graduation Project Title : ( **Gas chromatography - Mass spectrometry (GC-MS) in organic geochemical investigation of crude oils from Kikinda and Velebit fields In Serbia** ).

Obtained the **MSc** degree with ( **75.50%** ).

### BS in Chemistry

September 2003 — September 2009

Bani Waleed university faculty of chemistry

Obtained the **BS** degree with ( **56.76%** ).

## SKILLS

---

Good communication skills

Hard work and dedication

Working with the team

### Good knowledge in :

Teaching Clinical Biochemistry.

Teaching Biochemistry.

Teaching Environmental Chemistry.

Publishing scientific papers.

Microsoft office ( Word - Excel - outlook ) .

Adobe software ( Photoshop - illustrator - PDF ) .

## Work experience

---

### April 7th High School

September 2005 — September 2007

Teacher in High School

Teaching some subjects in science and chemistry.

### University of Bani Waleed

September 2009 — September 2010

Assistant in the lab  
secondary teaching assistant and lab-technician

### Libyan School in Belgrade- Serbia

September 2010 — September 2011

Teacher in High School

Teaching some subjects in science and chemistry.

### University of Bani Waleed

September 2014 — September 2016

Lecture at faculty of chemistry

Teaching the following subjects: General Chemistry - Biochemistry - Supervision of graduation projects

### University of Bani Waleed

September 2014 — September 2017

Lecture at faculty of Agriculture

Teaching Biochemistry, Organic Chemistry, Inorganic Chemistry, and General Chemistry

### Higher Institute of Medical Technology- Bani Waleed

September 2018 — present

Head of Pharmacy Department

Teaching clinical biochemistry and biochemistry, supervising graduation projects and following up the studies and activities within the department

### Higher Institute of Medical Technology- Bani Waleed

September 2017 — present

Head of Research and Development

Supervising graduation projects and assisting students in publishing scientific papers.

And matching projects within the calibrations set by them National Board For Technical & Vocational Education in Libya

## Qualifications

---

English language course " beginner, elementary and intermediate levels" in alnukhba educational company.

Lecture at Higher Institute of Medical Technology, Bani Walid.

## LANGUAGES

---

- Arabic " native " .
- English " intermediate " .
- Serbian " native " .

## Interests

---

Reading, writing, Printing, Graphical Designing, Music, Movies,sports

## International Paper

---

1. **Hamza Khalifa Ibrahim**, Alla Abdulmutalib Mohammed, Ola Adrees Omar, Effects of Antibiotics (Ciprofloxacin – Augmentin – Gentamicin – Norfloxacin – Ampicillin) which are used for Treatment of Urinary Tract Infections in Female Patients, Europea Academic Research, Vol. V, Issue 10/ January 2018.
2. **Hamza Khalifa Ibrahim**, Nature and geometry of aromatic reactions in peptides: peptide models to protein engineering, World Wide Journal of Multidisciplinary Research and Development, Vol. V, Issue 3(8) : 265- 268, 2017.
3. **Hamza Khalifa Ibrahim**, Abdussalam Ali Ahmed, Ayiman Abusaadiyah, Aejeeliyah Yousuf, and Salheen Grimida. (2017). "GAS CHROMATOGRAPHY - MASS SPECTROMETRY (GC-MS) IN ORGANIC GEOCHEMICAL INVESTIGATION OF CRUDE OILS FROM KIKINDA AND VELEBIT FIELDS IN SERBIA." International Journal of Research - Granthaalayah, 5(6), 550-560. <https://doi.org/10.5281/zenodo.823622>.

4. **Hamza Khalifa Ibrahim**, ANTIBIOTICS EFFECTS (C-PROFLOXACIN AUGMENTING-ENTAMICIN- NORFLOXACIN-AMPICILLIN) ON BACTERIA (E.COLI STAPH ALBUS AND KLEBSIELLA), American Journal of Research, № 1-2 (1-2), January-February 2018.
5. **Hamza Khalifa**, Basmah Altahir, Khadijah Dyab, Sarah Aboubakr, Eishah Abdulaziz, Drugs used in the treatment of asthma, World Wide Journal of Multidisciplinary Research and Development, Vol. V, Issue 4(10) 45- 49, 2018.
6. Hamza Khalifa, Aya AL Huseen, Heba Saleh, Tunes Ahmed, Gazella Nasser, Medications used in chronic obstructive pulmonary disease, World Wide Journal of Multidisciplinary Research and Development, Vol. V, Issue 4(10) 40- 44, 2018.

## International Conference

---

1. **Hamza Khalifa Ibrahim**, Abduladim Sakeb, Epidemiological Study of Leishmaniasis at the city Of Bani Waleed, Libya, 2<sup>nd</sup> Libyan Conference on Medical and Pharmaceutical Sciences, 28 april 2018.

## Books

---

1. **Hamza Khalifa Ibrahim**, "GAS CHROMATOGRAPHY - MASS SPECTROMETRY (GC-MS) IN ORGANIC GEOCHEMICAL INVESTIGATION OF CRUDE OILS FROM KIKINDA AND VELEBIT FIELDS IN SERBIA. LAP Lampert Academic Publishing, ISBN 978-613-9-85740- 1, first edition, 2018.
