

# Hussam Tarsha

WRITER & THINKER & LEADERSHIP

## Profile

My academic studies are civil engineering. Diploma in National Strategic Planning. An activist in the Syrian revolution. Interested in intellectual issues, Islamic, political and social sciences. Skilled in Negotiation, Microsoft Word, Leadership, Project Management, and Team Leadership. A strong business development professional. Practical experience in senior management. Freelance writer and researcher. Problem-solving consultant.

## Education

### Civil Engineer, Aleppo University / Fatih Sultan Mehmet Foundation University

ISTANBUL | 1994 January - 2022 January

I finished my graduation project a long time ago, and because of the political arrest and the start of the Syrian revolution, I have two courses left for graduation, and I am now registered at Sultan Muhammad Al-Fateh Endowment University to complete my graduation.

### Diploma in National Strategic Planning, The Arab Center for National Strategic Planning Studies (Sharjah - Khartoum)

ISTANBUL | 2014 September - 2016 January

The diploma was online, under the supervision of Professor Muhammad Hussain Saleh. The graduation project was presented with the title:

Syria's new strategy in the field of culture thought, and political practice

Syria from revolution to renaissance

## Employment History

### Member of political offices, in foreign relations in some institutions of the Syrian revolution, Political Bureau of the National Liberation Front

2019 September - Present

A representative of the Ahrar al-Sham Islamic Movement in the Political Bureau of the National Liberation Front. He supervised the work of the human rights office, which works under the administration of the Political Bureau, on some human rights issues and legal files in the Syrian revolution.

### Founding partner, PR . official, KB MEDIA

ISTANBUL | 2017 August - 2019 August

We had to close it due to the corona pandemic

### Writer and independent researcher, Several media institutions and study centers
