

# Tarek Abulezz C.V.

## PERSONAL INFORMATION

**Name:** *Tarek Abdelhameed Abulezz Mansour*

**Nationality:** *Egyptian*

**Year of birth:** *1967*

**Religion:** *Muslim*

**Marital state:** *Married*

## Contact Information:

**Emails:** [t\\_abulezz@yahoo.com](mailto:t_abulezz@yahoo.com), [tabulezz@med.sohag.edu.eg](mailto:tabulezz@med.sohag.edu.eg)

**Postal Address:** Plastic Surgery Dept, Faculty of Medicine, Sohag University, Sohag, Egypt

**Telephone and WhatsApp:** +201003674340

**Google Scholar:** <https://scholar.google.com/citations?user=gF2piFMAAAAJ&hl=en&oi=ao>

**Current Position:** Professor of Plastic Surgery, Chairperson of Medical Research Ethics Committee of Faculty of Medicine, Sohag University.

## Previous Positions

June 2020 - Now	Chairperson of Medical Research Ethics Committee, Faculty of Medicine, Sohag University.
Oct 2015 - Aug 2018	Head of Plastic Surgery dep., Faculty of Medicine, Sohag University
Oct 2011 - Jun 2017	Assistant Professor of Plastic Surgery , Faculty of Medicine, Sohag University.
Sep 2012 - Mar 2013	Consultant of Plastic Surgery through the Visiting Doctor program Aseer Central Hospital, Abha, Kingdom of Saudia Arabia (KSA)
Sep 2011 - Sep 2012	Vice-Dean of Community Service and Environmental Development Faculty of Nursing, Sohag University, Sohag, Egypt
Jul 2008 - Oct 2010	Executive Manager of Quality Assurance Unit, Faculty of Nursing, Sohag University, Sohag, Egypt
Jan 2005 - Sep 2011	Lecturer of Plastic Surgery, Faculty of Medicine, Sohag University.
Jul 2001 - Jun 2003	Research fellow at University of Texas, Southwestern Medical Center, Dallas, Texas
Jul 1997 - Jan 2005	Assistant Lecturer of Plastic Surgery, Faculty of Medicine, Sohag University, Sohag, Egypt
Mar 1993 - Feb1997	Resident of General Surgery, Sohag University Hospitals, Sohag, Egypt

## Qualifications

- 1- ***M.B.B.Ch.***: Faculty of Medicine, Assiut University, Sep, 1991; Grade: Very good with Honor
- 2- ***M.Sc. General Surgery***): Sohag Faculty of Medicine, Jul, 1996; Grade: Very good
- 3- ***M.D. (Plastic Surgery)*** Sohag Faculty of Medicine, Dec, 2004

## Professional Training

- Two-years fellowship in Plastic Surgery Department of University of Texas, Southwestern Medical Center at Dallas, from July 2001 - June 2003. During these two years, I have finished my MD thesis.
- One-year training and practice in Plastic Surgery Dep. of Ain Shams University, (June 1998 - June 1999).
- Six-months training in Plastic Surgery Dep. of Assiut Faculty of Medicine, (Aug 1997 - Feb 1998).
- As a working member of the Egyptian Society of Plastic and Reconstructive Surgeons, I attend and actively participate in all meetings of this society.

## Professional experience

- Face Lift operations, facial fat injection, facial rejuvenation with dermabrasion, microdermabrasion and chemical (TCA) peelings.
- Laser removal of unwanted body hairs.
- Blepharoplasty, Repair of ptosis, and eyelid reconstruction for trauma or malignancies.
- Rhinoplasty operations, and various nasal reconstruction procedures.
- Auricular reconstruction for congenital microtia - Otoplasty, for constricted ear, Stahl ear, bat ear, auricular reconstruction after trauma or tumors.
- Cleft lip and cleft Palate surgeries for treatment of various types of cleft deformities.
- Lip reduction, lip augmentation (fat injection) and double lip correction.
- Various kinds of local flap reconstructive procedures for facial malignancies.
- Removal of skin swellings and cysts and cosmetic repair of wounds and scars.
- Treatment of maxillofacial trauma including fracture mandible and fracture zygoma and other facial fractures.
- The use of tissue expanders in the treatment of posttraumatic and post burn scalp alopecia, and in scar revision operation.
- Management of acute burns and treatment of postburn contractures and scars.
- Reduction mammoplasty and breast reconstruction after mastectomies.
- Nipple-areola reconstruction and treatment of inverted nipples.

- Abdominoplasty (dermolipectomy) operations and abdominal liposuction procedures.
- Abdominal wall reconstruction for major and difficult abdominal wall hernias.
- Hypospadias operations, penile reconstruction, treatment of hidden or buried penis, and male circumcision procedures.
- Labial reduction and labial augmentation with fat grafting.
- Vulval reconstruction after traumatic wound or tumors excision.
- Excision and reconstruction of Pilonidal sinus disease.
- Hand reconstructive surgeries for congenital anomalies like syndactyly, camptodactyly and for degenerative diseases (Dupuytren's and trigger finger).
- Fingernail reconstruction, surgical treatment of ingrowing nail and nail grafting procedures.
- Lower limb reconstruction by reversed flow and cross-leg flaps.
- Treatment of chronic wounds like diabetic foot and trophic ulcers
- Treatment and reconstruction of bed sores.
- Use of VAC for wound treatment
- Management of hemangiomas and vascular malformation with injection (intralesional steroids, Sclerotherapy), Laser TTT and surgical excision.
- Management of deformities of postbariatric surgeries like thigh lift.

## Memberships

- Egyptian Society of Plastic & Reconstructive Surgeons (ESPRS) - 2005
- Egyptian Network of Research Ethics Committees (ENREC) - 2019
- Euro-Mediterranean Council for Burns and Fire Disasters - 2006
- International Society for Burn Injuries (ISBI) - 2006
- Co-Founder and Council member of the Pan African Association of Cleft Lip and Palate - 2007
- Egyptian Society of Surgeons (ESS) - 1996
- International Society of Aesthetic Plastic Surgery (ISAPS) - 2016

## Awards and Prizes

The winner of the **Best Research Prize** from the Egyptian Society of Plastic and Reconstructive Surgeons at the 36<sup>th</sup> Annual Meeting of the ESPRS in Hurghada Feb. 2006.

## Special Recognition

Listed in **Who's Who in Medicine and Healthcare** since 2009-2010 edition till the latest 2022-2023 edition
