

Dr. Mourad MAKHLOUF

Doctor in materials chemistry and research team leader in laboratory of combustion, detonation and ballistics.

Teleph+213554948546

makhlof.amc@gmail.com

Tipaza, Algérie

FORMATION

•HDR : 2021. University of Blida 1

•Doctorate in science. 2012. materials Chemistry . University of Oran

•Magister. 2007. materials Chemistry . University of Oran

•Diploma of Higher Studies in Chemistry (D.H.S) 2002. Djilali Liabess University - Sidi Bel Abbes

EXPERIENCE

2003-2008 Temporary teacher at the University of Saida and Oran

Since January 2009 Teacher researcher at AMC-DPHB

ATIVITES DE RECHERCHES

RESEARCH TOPICS

- *Porous materials
- *Coating
- *Electromagnetic shielding

RESEARCH WORK

Publications (11)
Conferences (23)

FRAMING

- Director of doctoral thesis (01) -University of Blida 1
- Co-director of the doctoral thesis (02) - University of Boumerdes
- Master in Energy Mechanics (04) -AMCDPHB
- Engineering studies (01) - Saida University
- License Studies (10)

OTHER ACTIVITIES

- Reviewr at
 - ✓ Annales de Chimie - Materials Science. Indexing: Web of Science; clarivate analytics.
 - ✓ Algerian Journal of Environmental Science and Technology ALJEST-DGRST.
 - ✓ Member of the Scientific and Technical Committee and Editorial Review Committee of International Research Conferences (IRC) - Chemical and Materials Engineering
