## AREAS OF EXPERTISE

### Lecturing for Post and Undergraduate Students

- Advanced Management Information System (Post Graduate Students)
- Project Management (Post Graduate Students)
- Knowledge Management System
- Operating Systems (OS)
- Human Computer Interaction (HCI)
- Management Information System (MIS)
- Computer Graphics Design
- Introduction to Computer Science
- Social and Professional Issues
- System Analysis System
- Software Evolution & Maintenance
- Delphi Programming
- C/C++ Programming
- Software Quality Assurance

- Software requirement Engineering
- Web Technologies
- Web Applications Development
- Visual Basic

## Web Sites Programmer

HTML, CSS, Java Script, XML, and MySQL /PHP Developer

## IT Technical Support

- ✓ Setup, configure, and troubleshoot hardware peripherals and software applications for end users.
- ✓ Timely end-user supports not limited to PCs/ Notebooks, projectors, wireless access points, printers, plotters, scanners, mobile devices, and software related issues in Windows network environment in order to ensure smooth daily business operation.

## **Dr. Moamar J B Elyazgi** **(Assistant Professor)**

## CAREER STATEMENT

A well-presented, self-motivated and confident Computer and Information Technology applications graduate who has extensive knowledge of how to successfully assess the teaching needs of postgraduate and undergraduate students and then develop and implement suitable teaching plans for them. Possessing excellent counselling, listening and general communication skills, along with the ability to communicate complex and sensitive information about computer applications matters in an understandable form to students. Having exceptional multi-tasking and organisational skills, all of which are imperative when working closely with Engineering and Information Technology professionals.

## ACADEMIC QUALIFICATIONS

**University Teknologi Malaysia – Malaysia (UTM)**  
2013 – 2016  
(PhD in Computer Science)

**University of Madras – India** 1994 – 1997  
Master of Computer Applications (M.C.A)

**Andhra University, India** 1991 – 1994  
BSc. Compute Science, Math and Physics

# PROFESSIONAL EXPERIENCE & COMMUNITY WORK

## Full Time

### Al-Azhar University – Gaza Sept 1998 – Present

- ✓ Deputy Dean of the Faculty of Engineering and Information Technology.
- ✓ Head of Department of Software Engineering.
- ✓ Lecturer at Faculty of Engineering and Information Technology.
- ✓ Chair of the Examination Committee
- ✓ Chair of the committee (Preparation of Study Schedules).
- ✓ Internal Examiner for Postgraduates.
- ✓ Reviewer for international conferences and Journals.
- ✓ Undergraduates' coordinator for projects
- ✓ Examiner, coordinator and supervisory for final year projects.
- ✓ Undergraduate Advisor.
- ✓ Industrial Training in Private and Public Establishments.
- ✓ Orientation day Coordinator for new students.
- ✓ Design course syllabus, develop teaching aids and handling examination papers and course works.
- ✓ Possess a passion for teaching and caring towards undergraduate students.
- ✓ Working in several committees in the faculty

## Part Time

### 1. Al-Quds Open University

Sept, 1998 – June, 2006

Lecturer at Faculty of Information Technology.

### 2. Al-Aqsa University

Sept, 1999 – June, 2003.

Lecturer at Computer Science Department.

## Non-IT potentials

- Diagnosing and resolving a wide range of technical issues over the phone.
- Clerical — Knowledge of administrative and clerical procedures and systems such as word processing, managing files and records, stenography and transcription, designing forms, and other office procedures and terminology.
- Learning Strategies — Selecting and using training/instructional methods and

procedures appropriate for the situation when learning or teaching new things.

- Instructing — Teaching others how to do something.
- Documenting/Recording Information — entering, transcribing, recording, storing, or maintaining information in written or electronic/magnetic form.

- Training and Teaching Others — identifying the educational needs of others, developing formal educational or training programs or classes, and teaching or instructing others.
- Develop and evaluate e-learning modules with required level of interactivity and functionality.

## Awards

First award titled (2018) “Business Success through Academic Excellence” from Embassy of USA in Tel Aviv.

## Personal

- Ability to work under pressure.
- Can communicate and articulate a sound educational philosophy.
- Committed to skills based learning.
- Willing to accept responsibility for other legal matters in the day-to-day running of the school.

## PEER REVIEW

### Committees:

- Member of Scientific Committee - 2nd International Conference on Computer Science and Information Technology (ICCSIT 2020)
- Member of Scientific Committee - 3rd International Conference on Computer Science and Information Technology (ICCSIT 2021)

## **Journals:**

- **Inderscience Publishers (2017)**
- **International Journal of Electrical and Computer Engineering (IJECE) (2020)**

## **Conferences:**

- **International Conference of Reliable Information and Communication Technology (IRICT 2017)**
- **2nd International Conference on Computer Science and Information Technology (ICCSIT 2020)**
- **3rd International Conference on Computer Science and Information Technology (ICCSIT 2021)**
