السؤال الأول

1- 😊 How did you find being a wave community leader?

Being a **Wakelet** Community Leader is a positive and exciting experience. It has allowed me to connect with an amazing community, inspire and empower others, develop my skills, and contribute to the growth and improvement of **Wakelet**. If you are someone who enjoys communicating with others, sharing knowledge,

Being a Wakelet community leader has also provided me with opportunities for personal and professional development. Through seminars and workshops with co-workers, I have developed my skills. It has allowed me to become more confident in sharing my knowledge and experiences with others and has expanded my network within the education technology community.

One of the benefits of being a **Wakelet** Community Leader is the ability to inspire and empower others to do better. By sharing my experiences and tips with the community, I've been able to support and guide users who are new to **Wakelet** or looking to improve their use.

It is very gratifying to witness their development and success as they become proficient with the **Wakelet**.

How happy I am to be a leader at **Wakelet** and how educational and culturally advanced I am.

Thank you very much **Wakelet**

السؤال الثاني

2- Activities I have been doing as a community and college leader in my school, district, and community

I posted and shared the **Wakelet** Community Leader's good news, started sharing the good news with teachers and colleagues and showed them the usefulness of this platform. I have shared my lovely experience using the app and shared ideas on how to teach using this exciting software and spread my enthusiasm and passion for **Wakelet** by showing my fellow teachers what a useful tool it is through learning tools and sharing courses.

Also, I have contributed to society by attending many courses through webinars and connecting with other teachers through **Wakeletchannels** on different social media platforms like Twitter, YouTube, Facebook, LinkedIn,

It also organized training courses for teachers and students on **wakelet** on how to prepare collections in a creative, innovative, and effective way.

I have also prepared and collected digital resources for colleagues and students on the **Wakelet** platform, which I have presented during the workshops.

I have used social media to publicize my status and activities in the **Wakelet** world and to attract the attention and interest of others.

I have also shared the good news with the students and now encourage them to be part of the community and be leaders and ambassadors for the students as well.

السؤال الثالث

3- The number of people Wakelet has partnered with and supported on their journey!

I posted how I organized my **Wakelet** page and shared my experiences with my colleagues. This number is more than 1,800 teachers, and I made sure to share my **Wakelet** page with my co-workers and my students, and I published the Wakelet page on social media for all teachers and students to benefit from.

I created a group to teach **Wakelet** and this is the link to the group (Microsoft expert) **ضع اسم الجروب ان وجد لديك او كنت مشرف في احد الجروبات**

This made me very happy, as I saw a lot of teachers joining **Wakelet** and I helped many of them and they are all happy with the **Wakelet** platform. They thanked me for helping me join this wonderful community

All this encouraged me to publish everything related to the **Wakelet** community to talk to all colleagues and teachers and advise them to participate in this community.

The number of people **Wakelet** has been involved with is many, both students and teachers.

السؤال الرابع

4- Why do I want to be a Wakelet Ambassador?

I am passionate about the **Wakelet** platform

How very happy I am to be an ambassador for **Wakelet**, which is a very excellent work given to every teacher who wants to make a difference and become an innovative teacher with his colleagues and students in the field of education.

I will work hard to develop and use this program in training teachers and students. I will collaborate with trainers to influence others to experience the great fun, power, and benefits that **Wakelet** brings. Even considering the importance of what features they might add to the software to meet the needs of teachers and other users in the world. The **Wakelet** platform allows its users to integrate different types of media such as videos, links, tweets, posts, images, texts, PDFs, and much more, which represent different forms of how to develop education in all its forms and at all different stages. By being a **Wakelet** Ambassador,

I will be able to publish and share all of **Wakelet**'s work and collaborate with colleagues, learners, and students.

Wakelet is a free online bulletin board that teachers and students can use for blended learning, distance learning, or in-person classes as a way to organize multimedia content into collages that are more impactful for students. As a teacher, I use **Wakelet** to plan lessons for students, organize online resources, or design informative digital newsletters. Students can also use this great tech tool to leverage and collaborate on collecting different media resources and organizing their online resources. The ambassador plays an important role in promoting and helping spread the platform.

I, in turn, as a teacher, will publish everything related to the **Wakelet** platform, track their news, follow up on every event, watch it, and encourage teachers to follow the latest with them and the students.

السؤال الخامس

5-💡 How do I plan to share Wakelet more as a Wakelet Ambassador?

1- I speak with more colleagues and students to join the **Wakelet** community and share with them all the educational work on this wonderful scientific platform for the benefit of students and teachers. Spreading their culture, sharing it with others, learning about what is new in it, and following up on the global events of the **Wakelet** platform.

2-Also, I have also planned to update myself about the Wakelet event and share it on the **Wakelet** community on Twitter, Facebook, LinkedIn, all social media, etc. I also published all the news about **Wakelet** and shared it with my colleagues at work by publishing it, and The students played an important role in me, as a large number of people joined the **Wakelet** platform after watching what I published.

3- Also, I plan to prepare more sessions to explain **Wakelet** to others and discuss how it can be benefited from and what are its advantages. I also prepared a lecture on how to register and how to deal with this wonderful platform. I will repeat these lectures more than once for students and teachers and tell them about the advantages of **Wakelet** how it can be Registration and how they can deal with this platform.

4- I will make flyers and posters as an advertisement for the **Wakelet** platform, explaining the importance of this platform for teachers and students as well.

It would be a great honor for me to be a **Wakelet** Ambassador.

I'm excited to explore more about the **Wakelet** platform.

Thank you very much for this wonderful work
