Study of pressure applied to blood vessels using a mathematical model

Dear Enas Yahya Abdullah;
The revised version of the above-referenced paper has been accepted for publication in
The International Journal of Nonlinear Analysis and Applications (IJNAA).

Your paper is tentatively scheduled for publication in **Volume 13 Issue 1**. You will receive proofs of the paper electronically about three weeks before the publication date. This system, called "**Eproof**", sends Emails to the corresponding authors, and links them to a web space just built for their article. The authors can review their proofs either on line or offline, and then return corrections to Nonlinear Analysis Group. Thank you very much for considering The International Journal of Nonlinear Analysis and Applications (IJNAA) as a suitable place to publish your work. Please contact me if I can be of any assistance to you in connection with this manuscript.

Date of final acceptance: 2021/11/10

Yours Sincerely
Madjid Eshaghi Gordji
Editor-in-chief
The International Journal of Nonlinear Analysis and Applications (IJNAA).
